kreafunk

Spring/Summer 2025

kreafunk – SS25

In this issue

Kreafunk is dedicated to merging responsible production and innovation. That's why we produce our products using recycled materials. Our latest members are no exception.
The outer material is 100% recycled plastic, and we're still using fabric made from recycled materials.

We are thrilled to introduce the latest additions to the Kreafunk collection. Prepare to be captivated by the sophisticated and stylish aJAZZ 2 - 8% larger than on of our classics, aJAZZ Qi.
With aJAZZ 2, we're adding something new — Broadcast Mode.
We're also introducing aCOUSTIC in 2 new colours that match aMAJOR 2 and still dazzles you with its crisp sound. Both speakers can charge wirelessly on our new charger, wiCHARGE 3 - a new, sleek design.

You'll also meet toCHARGE GO, where we've combined a powerful power bank with built-in earbuds. Perfect when you're on the go.

In this issue, you'll find our entire product range with detailed specifications. We're dedicated to ensuring there's a Kreafunk product for every moment, and having an overview of the possibilities is always nice.
The expanded product line is on page 24.

Enjoy

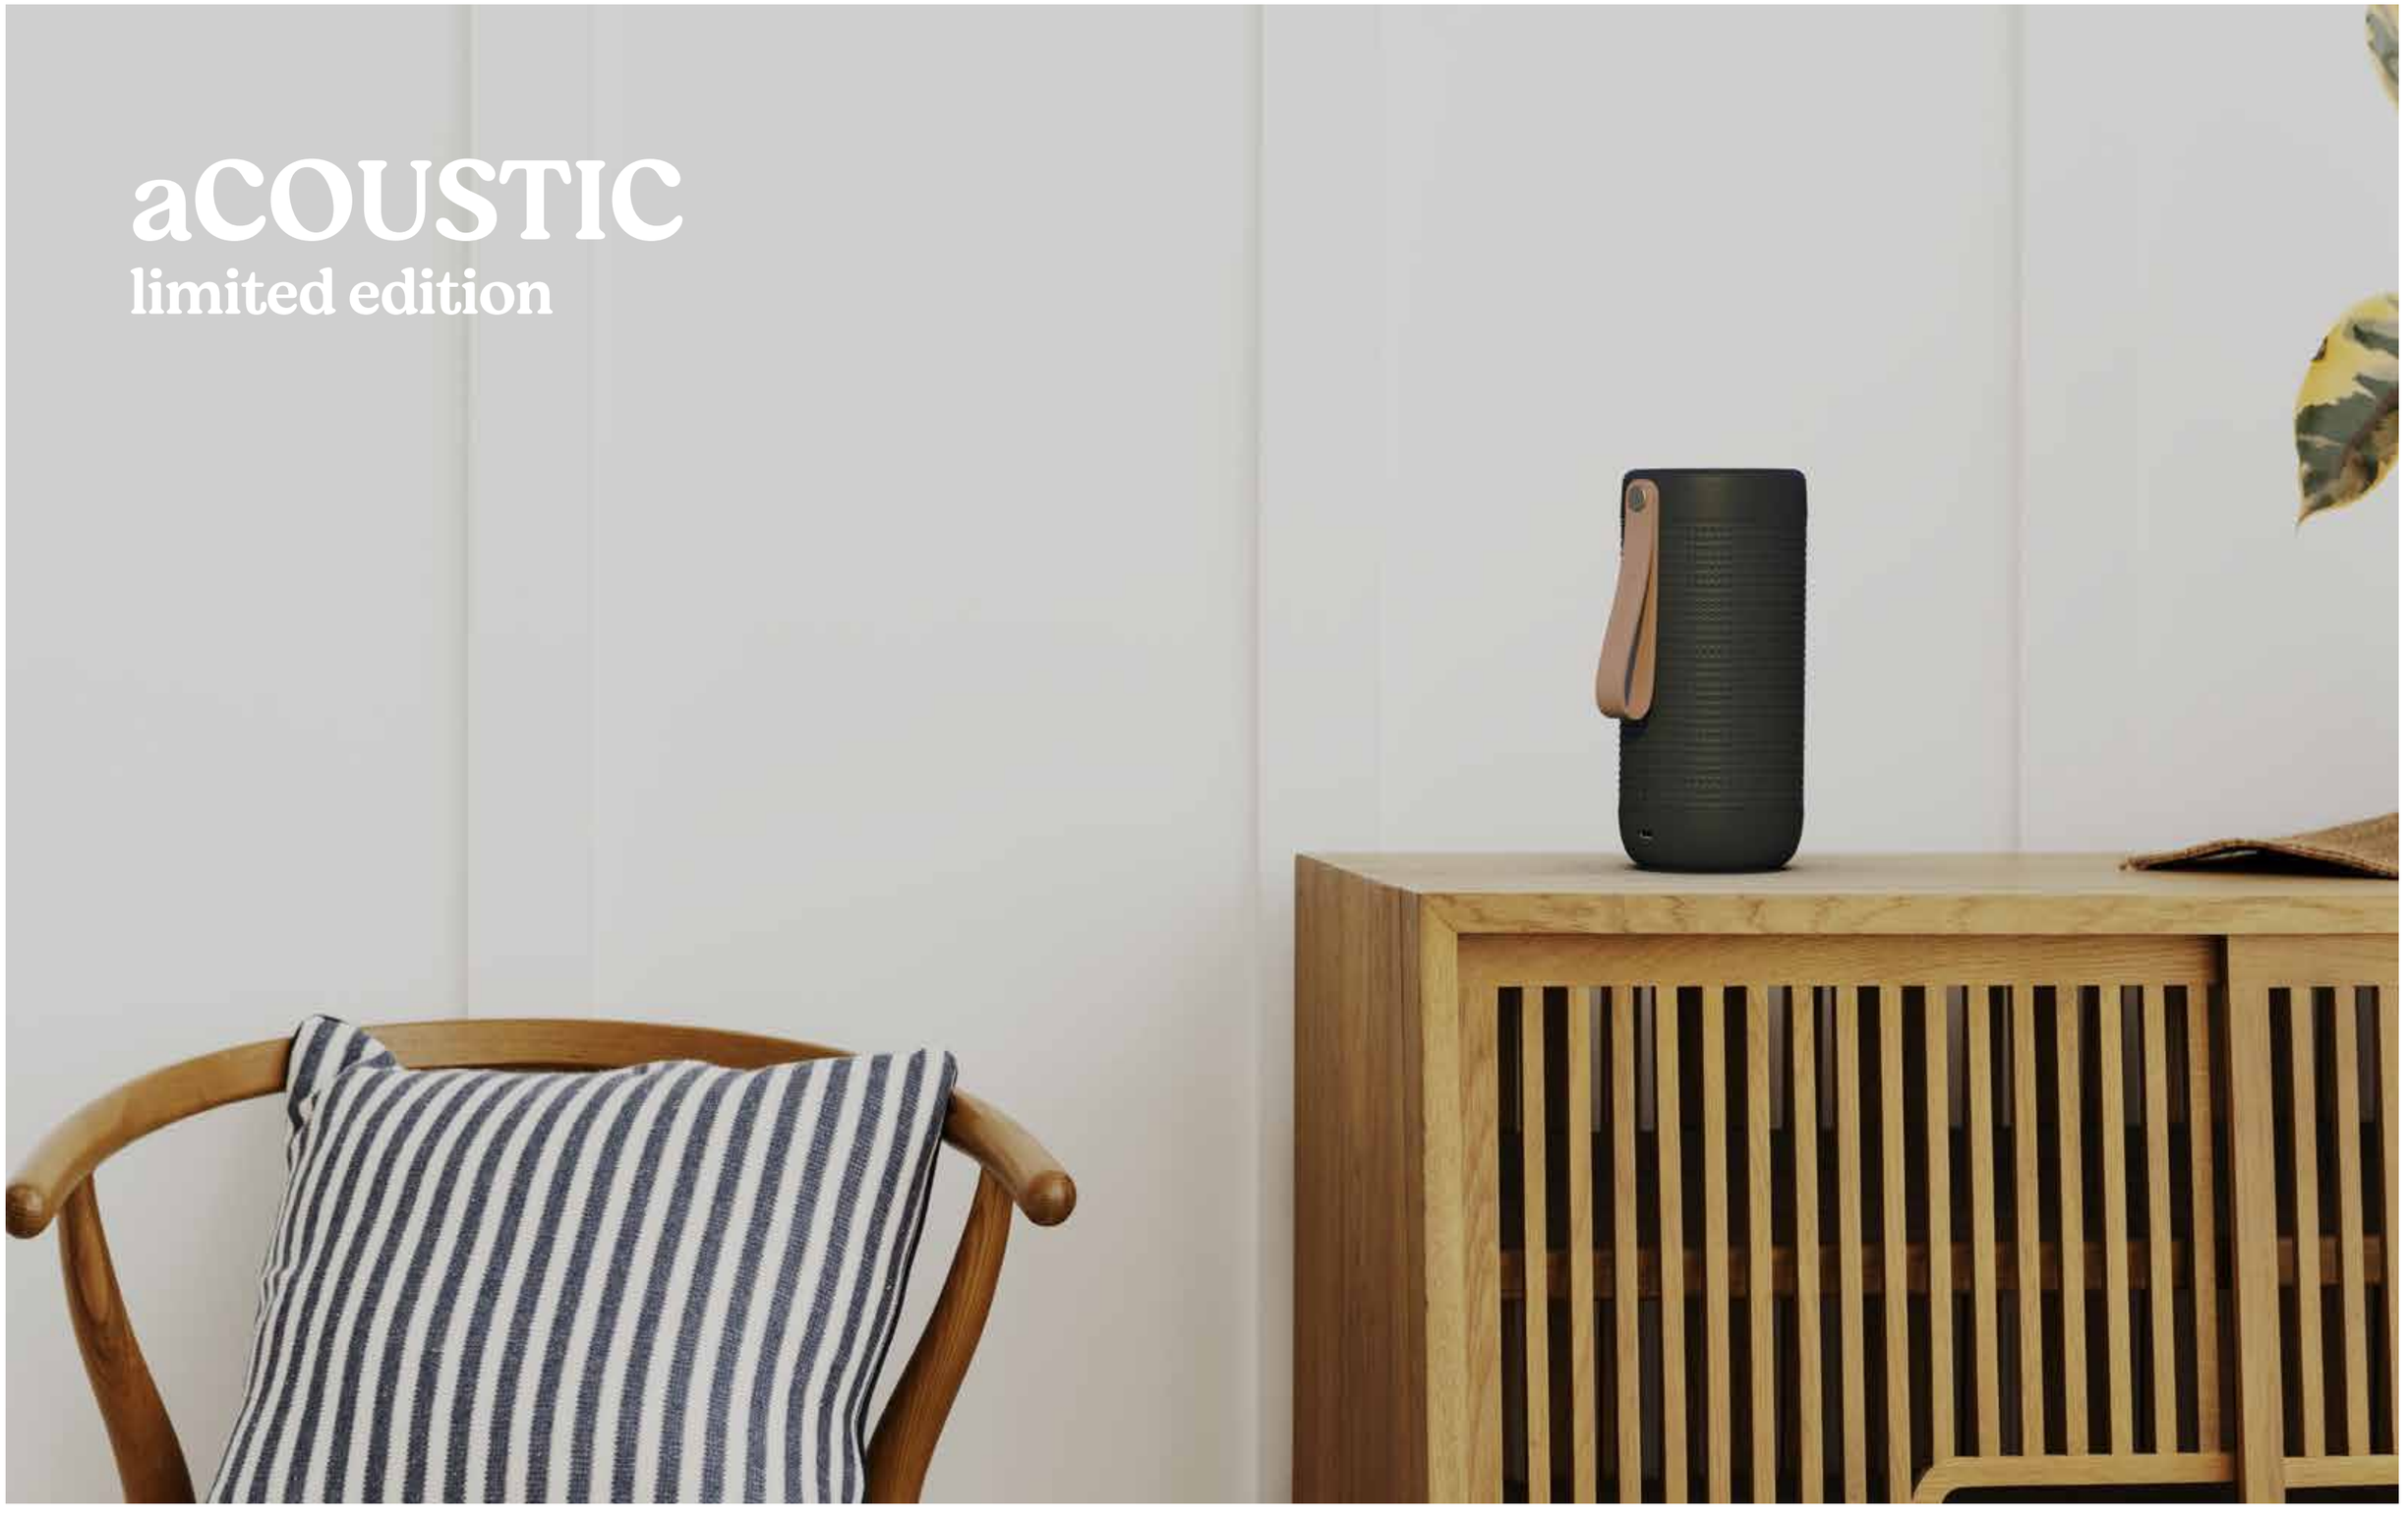
aCOUSTIC
limited edition



aCOUSTIC – limited edition

A Kreafunk classic wrapped in new colours!
The new colour pallet matches aMAJOR 2 and is a great addition to our universe.

aCOUSTIC still dazzles you with its crisp sound wrapped in an appealing design.

It has all the features and functions you know from the original aCOUSTIC, which has amazed us the last 4 years.

Specs and details

- 100% recycled GRS plastic
- Water-resistant (IPX5)
- 13W digital amplifiers
- Up to 30 hours playing time
- Charging time: 5-6 hours (USB)
  8-9 hours (wireless)
- Stereo Play (TWS)
- Voice Assistant
- Bluetooth 5.0
- Range: up to 10 meter
- USB-C cable included

aJAZZ 2

aJAZZ 2

Introducing aJAZZ 2 – the sophisticated evolution of our bestselling speaker!

Crafted from 100% recycled GRS plastic and 98% recycled polyester fabric, aJAZZ 2 combines eco-conscious design with premium sound. This water-resistant (IPX3) beauty gem features a powerful 15W speaker and a digital signal processor (DSP) for superb audio clarity.

With up to 30 hours of playtime, wireless charging, and USB-C connectivity, it's as functional as it is stylish. Enjoy seamless NFC connection, broadcast mode, and voice assistant compatibility. Elevate your space and your sound with aJAZZ 2!

Specs and details

- 100% recycled GRS plastic
- 98% recycled polyester (fabric)
- Water-resistant (IPX3)
- Speaker: 15W
- DSP (digital signal processor)
- Broadcast mode
- NFC connection (Android)
- Playing time: up to 30 hours
- Charging time: 2-3 hours (USB)
  5-6 hours (wireless)
- Supports wireless charging
- USB-C cable included

New Feature: Broadcast Mode

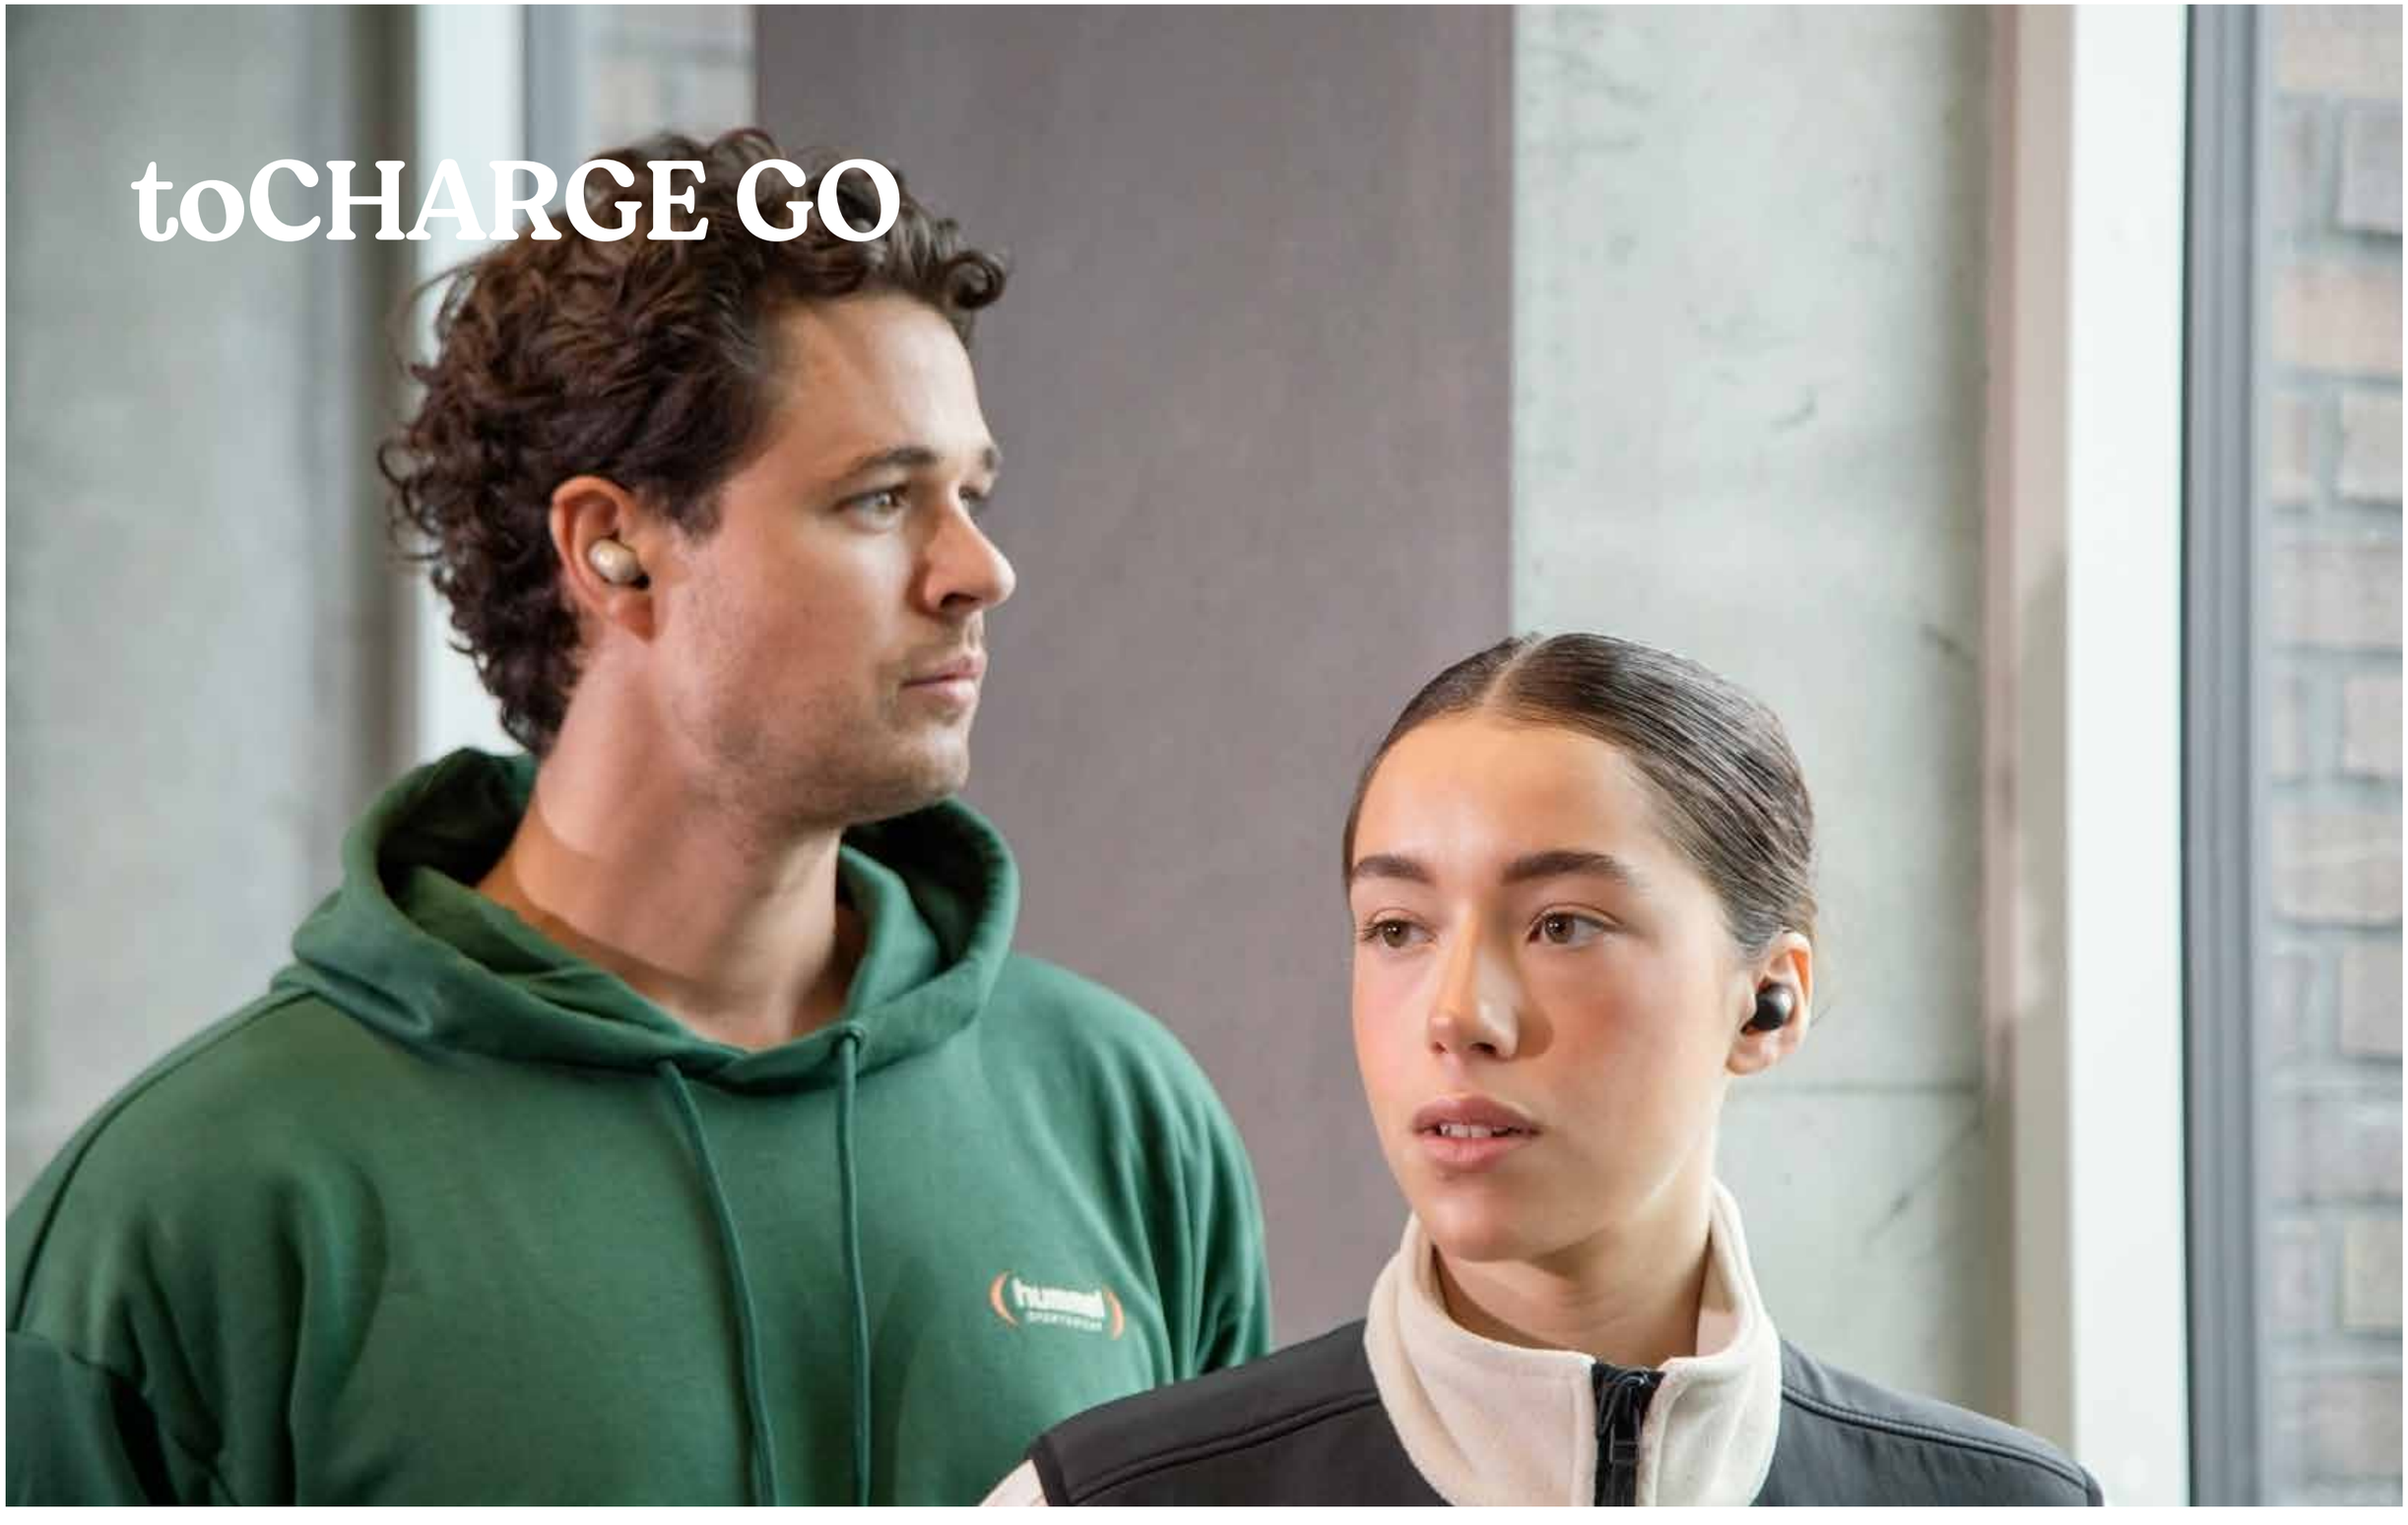
Now you can surround your space with music.

With Broadcast Mode, you can connect multiple speakers and let the sound flow — whether it's cozy tunes or party beats.

Simply keep them within 10 meters of each other, and you're all set to elevate your sound.

Ready to connect, play, and experience music like never before? Let the sound take over!

toCHARGE GO



toCHARGE GO

If you ask us, we've outdone ourselves. This little fellow is nothing but genius. We've combined a powerful power bank with built-in earbuds.

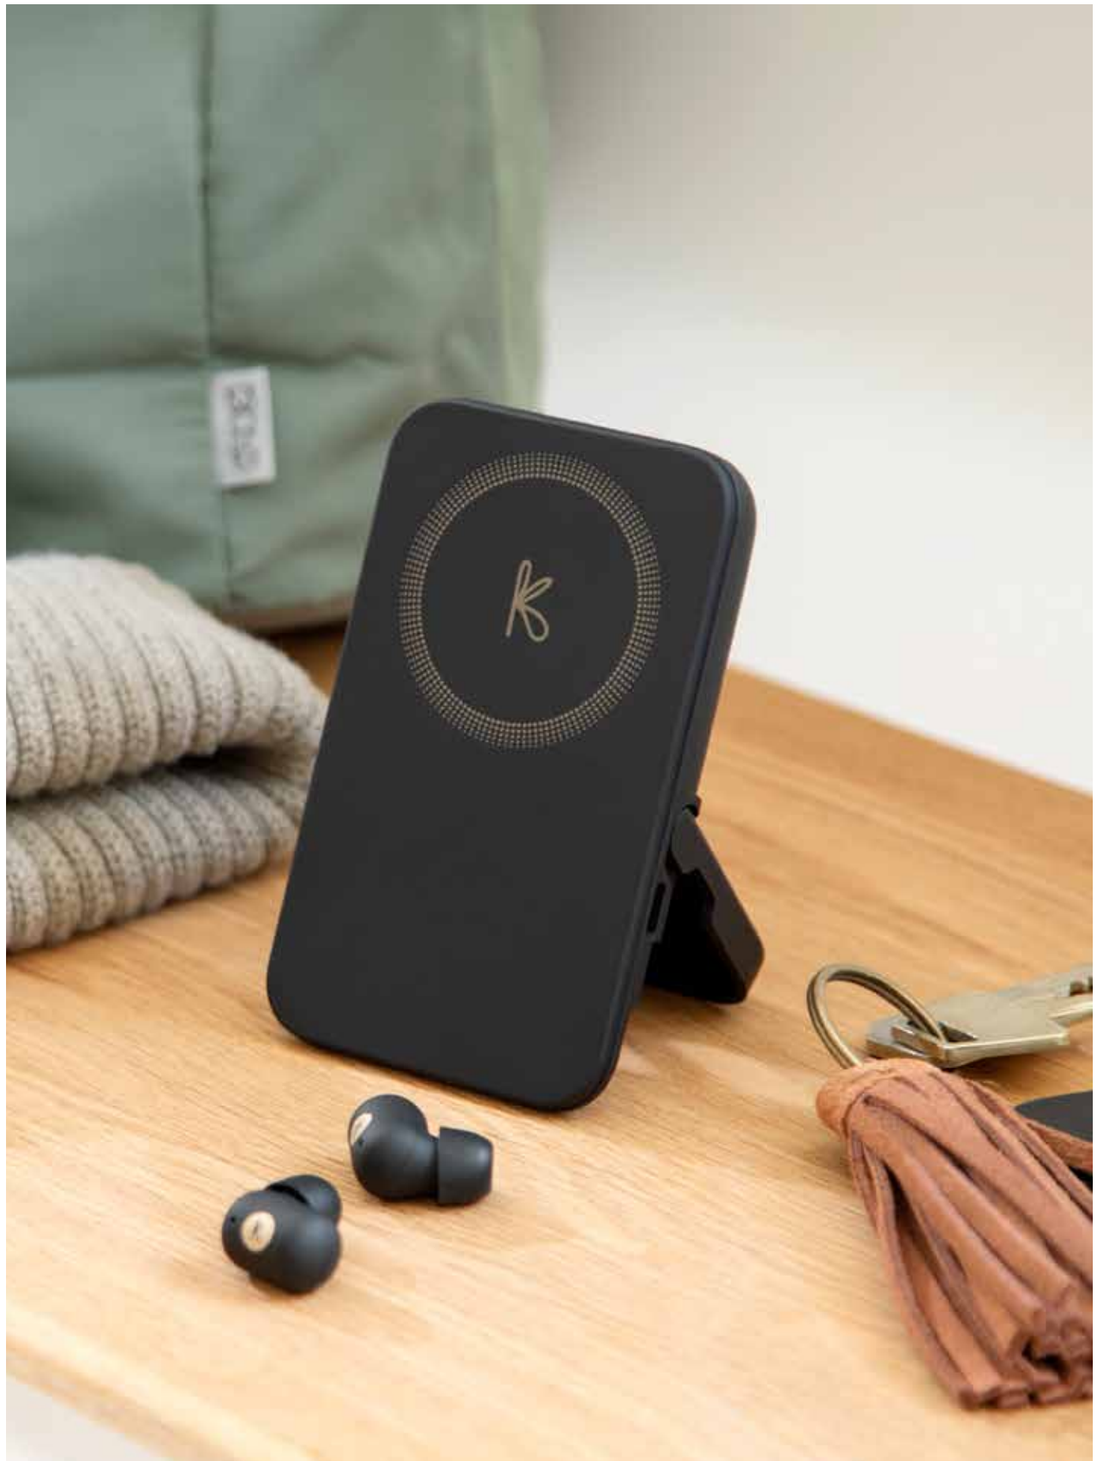
Introducing toCHARGE GO – the ultimate travel companion for life on the move! This sleek, compact gadget not only charges your phone, speaker, or headphones with wireless charging but also features magnetic attachment for compatible iPhones.

Made from 100% recycled GRS plastic, the toCHARGE GO offers active noise cancellation (ANC), water-resistant earbuds (IPX4), and a robust 5000mAh battery.

Enjoy up to 6 hours of playtime, with quick charging for both the power bank and earbuds. With a foldable design, toCHARGE GO is your perfect portable companion for seamless connectivity and convenience.

Specs and details

- 100% recycled GRS plastic
- Active noise cancellation
- Water-resistant (IPX4) (earbuds)
- Output power: 10W
- Powerbank: 5000mAh
- Playing time: up to 6 hours (single charge)
- Charging time: 1 hour (earbuds) & 3 hours (powerbank)
- Supports wireless charging
- Magnetic attachment function for compatible iPhones
- USB-C cable included



wiCHARGE 3

wiCHARGE 3

Your new favourite charger that makes powering up as easy as 1-2-3! Just plug it in, place your wireless-compatible device on top, and let it do the magic.

Crafted from 100% recycled plastic, this little gem can charge your phone, speaker, or head-phones with ease.

It's perfect for your desk, kitchen, or night-stand, and with its sleek, stylish design, it fits right into any space while keeping things eco-friendly.

Specs and details

- 100% recycled GRS plastic
- Wireless fast charging
- Output power: 15W (max)
- Charging efficiency: ≥72%
- Charging distance: ≤8 mm
- USB-C cable included

Speakers

aGO mini

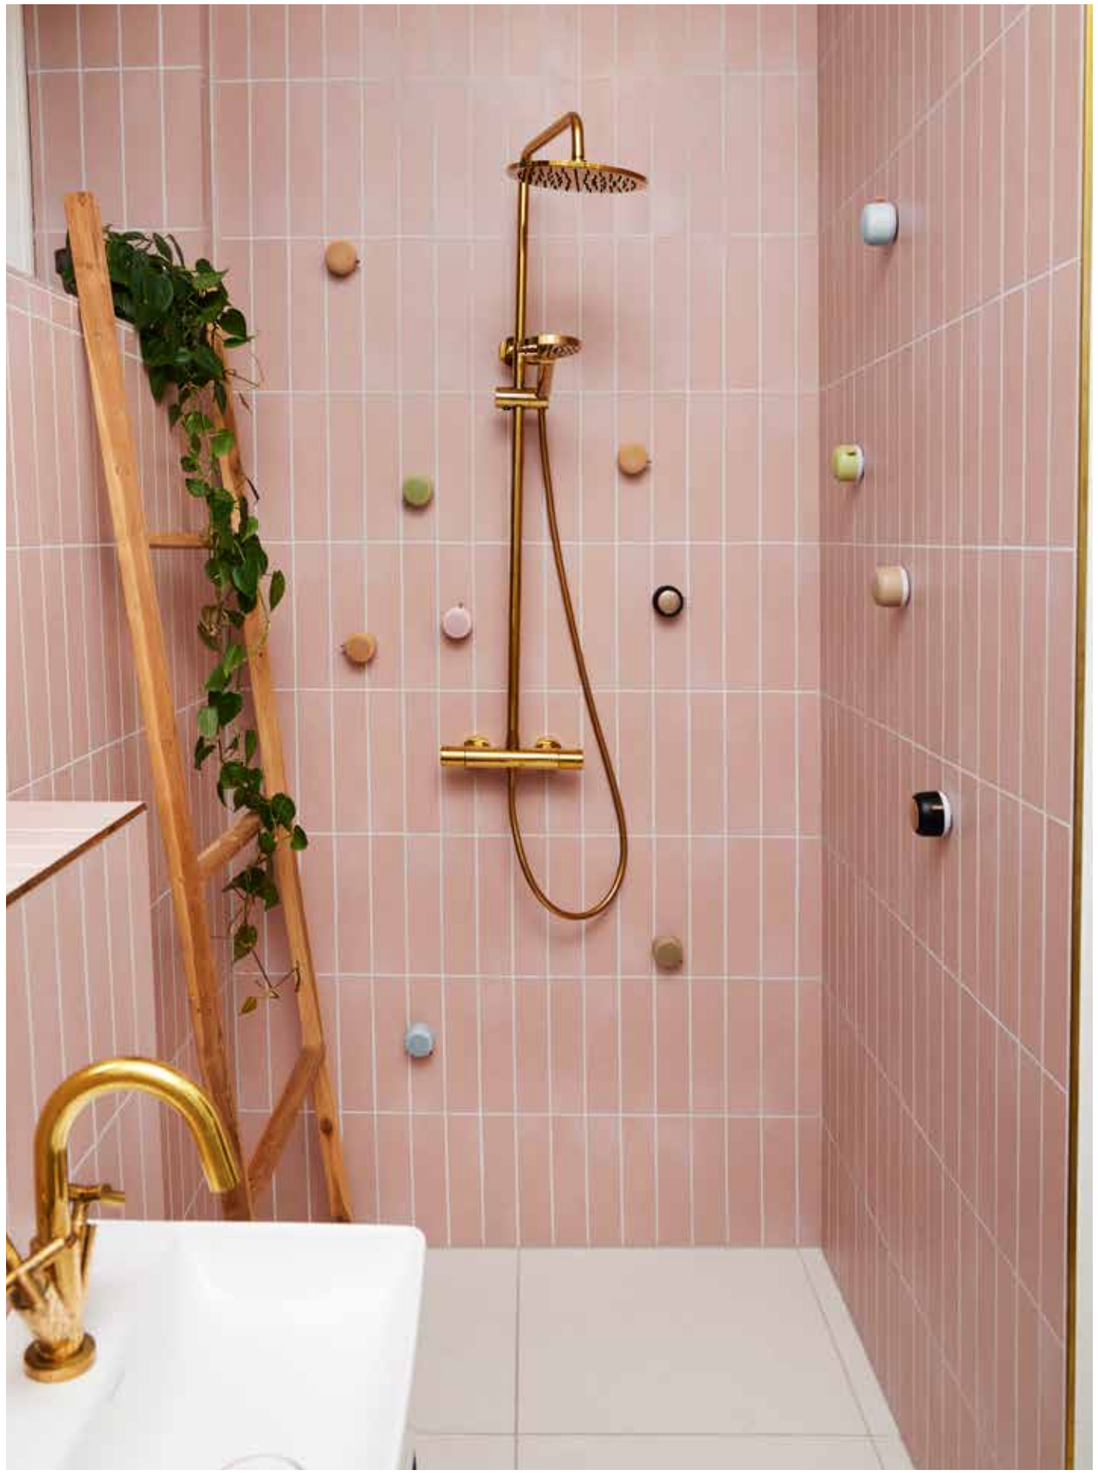
Enchanting, petite and powerful!
The pocket-sized aGO mini Bluetooth speaker will sweep you off your feet with its exceptional sound quality despite its small size.

Enhance the musical experience further by pairing two aGO mini speakers to achieve Stereo Play - and it'll be like you're standing front row of your favourite concert.

It's a delightful gift for a host or hostess. Or get it for yourself and benefit from dreamy tones in your home and on the go.

Specs and details

- Water-resistant (IPX3)
- 3W digital amplifiers
- Up to 12 hours playing time
- Charging time: 1-2 hours
- Stereo Play (TWS)
- Bluetooth 5.0
- Range: up to 10 meter
- USB-C cable included



aLIGHT

Overly cute and water-resistant. The aLIGHT is an alluring combo of a lamp and a speaker and will light up your daily routines.

Use it in the bathroom when soothing yourself in a bath with chill tunes and calming light, or keep it mounted on the wall for those sing-along shower sessions.

It comes with a small metal plate equipped with adhesive tape. Once the base is mounted, the magnetic aLIGHT will attach smoothly. It's as easy as that.

Know someone who's afraid of the dark? Subtle lighting and calming music will help even the most persistent child to fall asleep.

Specs and details

- 100% recycled GRS plastic
- Water-resistant (IPX5)
- 5W digital amplifiers
- Up to 15 hours playing time
- Charging time: 2 hours
- Stereo Play (TWS)
- Lamp
- Magnetic
- Bluetooth 5.1
- Range: up to 10 meter
- USB-C cable included

aGO 2 fabric

Small and powerful. These are the words that best describe the aGO 2 fabric.

We have further developed our bestseller, aGO, which boasts an improved and fine-tuned sound. The sound is formidable despite the relatively small size.

With its round shapes and stylish design, the aGO 2 fabric speaker is an obvious choice that will fit nicely into the home. Hang it on a hook, or put it in your pocket and take it with you on the go. Its resistance to water splashes makes it perfect for bringing to the beach or for use in the bathroom.

Specs and details

- 100% recycled GRS plastic
- 98% recycled fabric (polyester)
- Water-resistant (IPX5)
- 6W digital amplifiers
- Up to 10 hours playing time
- Charging time: 2-3 hours
- Stereo Play (TWS)
- Voice Assistant
- Bluetooth 5.1
- Range: up to 10 meter
- USB-C cable included

aGO 2

The petite aGO 2 Bluetooth speaker impresses with powerful sound and an iconic design.

We have further developed our best-selling aGO, which boasts an improved and fine-tuned sound. Don't be fooled by the size because the sound is formidable.
With its rounded shapes and stylish design, the aGO 2 speaker is an obvious choice that will fit well in the home.

It's easy to transport, so your favourite tunes are just a snap away. Hang it on a hook, or slip it in your pocket and take it with you on the go. Its resistance to water splashes makes it perfect for bringing to the beach or for use in the bathroom.

Specs and details

- 100% recycled GRS plastic
- Water-resistant (IPX5)
- 6W digital amplifiers
- Up to 10 hours playing time
- Charging time: 2-3 hours
- Stereo Play (TWS)
- Voice Assistant
- Bluetooth 5.1
- Range: up to 10 meter
- USB-C cable included

Karl

Introducing Karl by Kreafunk – the perfect blend of style and sound!

This chic little speaker packs a punch with its 15W stereo play, delivering impressive audio in a compact design. Made with 100% recycled fabric specially designed for speakers, Karl is not only eco-friendly but also fashion-forward.

Enjoy the freedom of wireless charging and NFC connectivity, making it a breeze to use. Whether indoors or out, Karl is your ultimate portable sound companion. Get ready to elevate your decor and your playlist with Karl!

Specs and details

- 100% recycled GRS plastic
- 100% recycled polyester (fabric)
- Water-resistant (IPX5)
- 15W digital amplifiers
- DSP (digital signal processor
- Up to 30 hours playing time
- Charging time: 2-3 hours (USB)
  5-6 hours (wireless)
- Stereo Play
- NFC connection (Android)
- Bluetooth 5.1. Range: up to 10 m
- USB-C cable included

aJAZZ Qi

The aJAZZ Qi Bluetooth speaker is a true Kreafunk icon! It enchants with its unique shape and powerful sound.

Enhance the experience by pairing two aJAZZ Qi speakers to achieve Stereo Play. It'll feel like standing front row of your fave concert. You can also bring it to your bathroom as it's splashproof (IPX5 rating).

The wireless charging allows you to charge it wirelessly on charging pads.

The stylish speaker comes with a characteristic top fabric consisting of 98% recycled polyester from Gabriel®.

Specs and details

- 100% recycled GRS plastic
- 98% recycled fabric (polyester)
- Water-resistant (IPX5)
- 6W digital amplifiers
- Up to 25 hours playing time
- Charging time: 3-4 hours (USB)
  6-8 hours (wireless)
- Supports wireless charging
- Stereo Play (TWS)
- Voice Assistant
- Bluetooth 5.0
- Range: up to 10 meter
- USB-C cable included

Dabbie

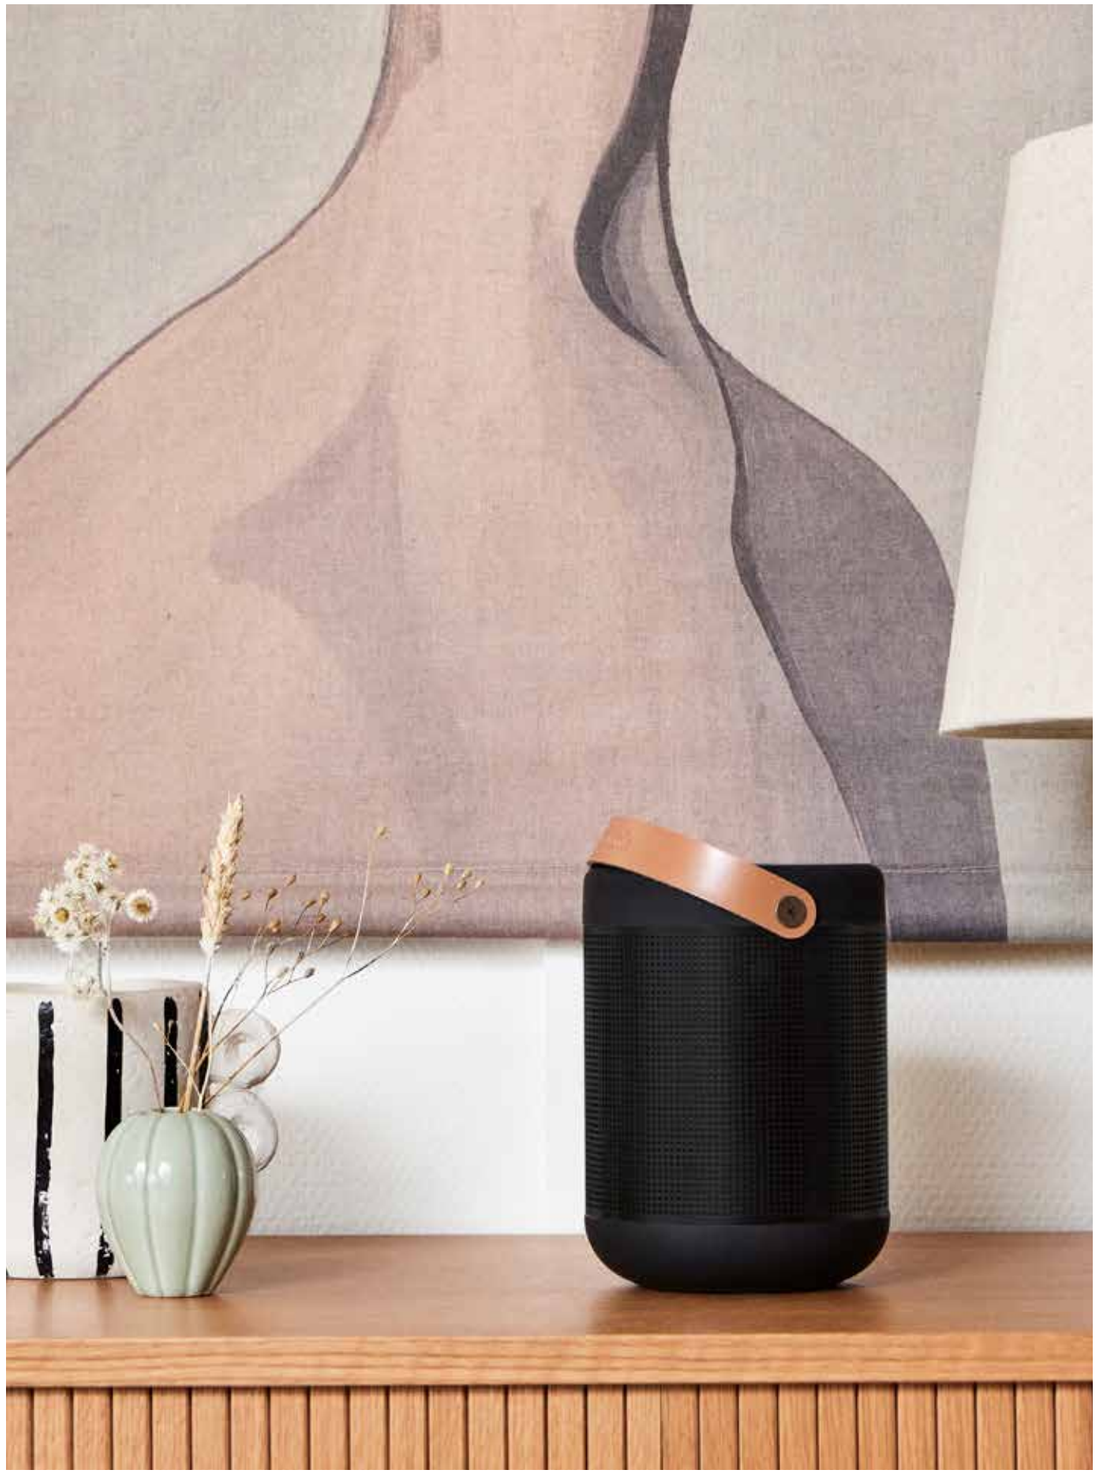
Meet Dabbie by Kreafunk – the stylish DAB+ radio and speaker combo that's as versatile as it is elegant!

Enjoy crystal-clear DAB+ and FM radio, or stream your favourite tunes via Bluetooth. With a 6W speaker, Dabbie offers great sound, while the wireless charging and alarm clock features add convenience to your daily routine.

Its sleek design allows you to hide the display, keeping it minimalist and chic. Perfectly portable for both indoor and outdoor use, Dabbie is your ideal audio companion wherever you go.

Specs and details

- 100% recycled GRS plastic
- 100% recycled polyester (fabric)
- DAB+, FM and Bluetooth
- Water-resistant (IPX4)
- 6W digital amplifiers
- Up to 14 hours playing time
- Charging time: 4hours
- Support wireless charging
- Alarm
- Stereo Play
- Bluetooth 5.1. Range: up to 10 m
- USB-C cable included



aMAJOR 2

An upgraded version of the beloved aMAJOR speaker. Only bigger and better. 8% larger and with a whooping 40W digital amplifier with advanced 360° sound technology.

Specs and details

- 100% recycled GRS plastic
- Water-resistant (IPX5)
- 40W digital amplifiers
- Up to 30 hours playing time
- Charging time: 4-5 hours (USB)
  15-16 hours (wireless)
- Supports wireless charging
- Stereo Play (TWS)
- Voice Assistant
- Bluetooth 5.3
- Range: up to 10 meter
- USB-C cable included

aBOOM+

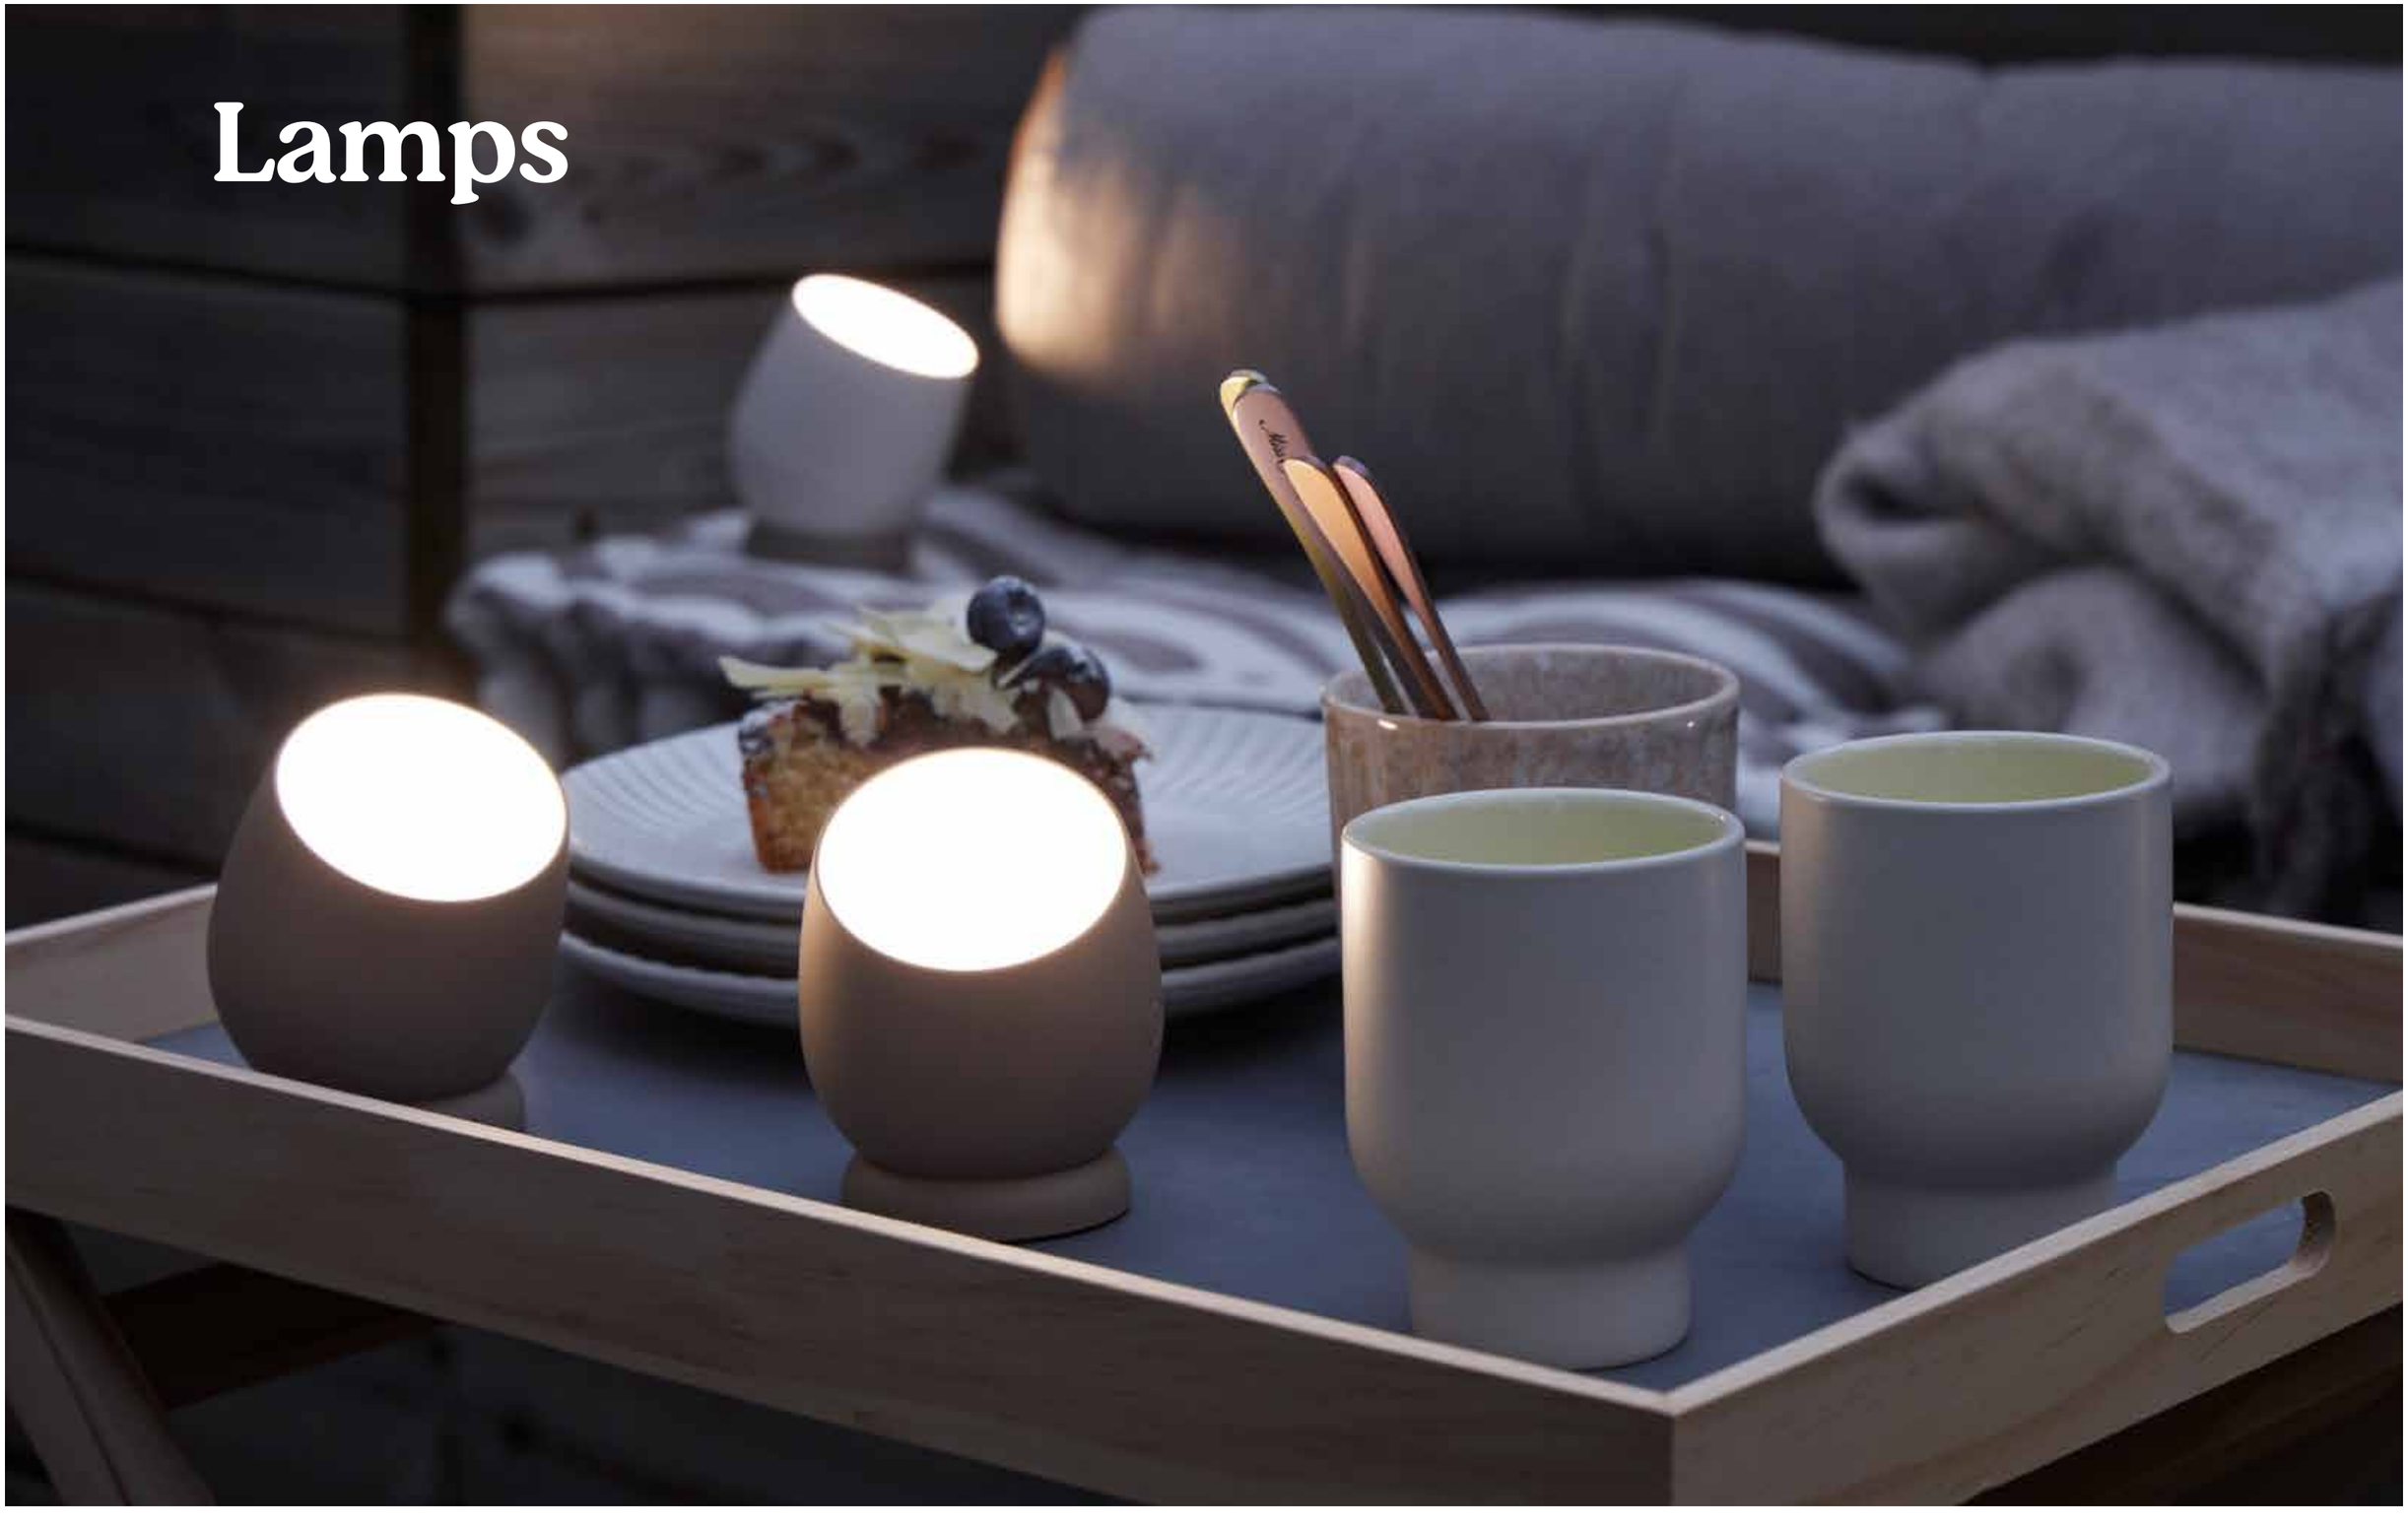
The powerful aBOOM+ will undoubtedly thrill at all events. Feel the atmosphere spread as the Bluetooth speaker's refined sound, enhanced with extra deep bass, sets the tone and mood for the party.

Durable, wonderfully portable and with a sound beyond its size. It´s a speaker full of surprises. Like the inside- and outside mode that gives your music the best possible conditions regardless of your position. This makes it the perfect speaker for your garden party as well as for any indoor, festive occasion.

Specs and details

- 100% recycled GRS plastic
- 99% recycled polyester (fabric)
- Water-resistant (IPX5)
- 65W digital amplifiers
- Up to 20 hours playing time
- Charging time: 3-4 hours
- Stereo Play (TWS)
- Indoor and outdoor EQ
- Voice Assistant
- Bluetooth 5.0
- Range: up to 10 meter
- USB-C cable included

Lamps



Beam

A lighting solution designed to enhance any space.

This innovative lamp combines modern functionality with an elegant design, providing you with the best possible user experience. Its touch-sensitive button makes it effortlessly easy to turn the light on and off and adjust the brightness level to suit your needs.

Beam is wireless, allowing you to place it anywhere without the hassle of wires. Its detachable base makes it easy to turn the light in any direction.

Beam seamlessly blends into any setting, creating a warm and inviting space.

Specs and details

- 100% recycled GRS plastic
- Water-resistant (IPX4)
- Up to 30 hours operating time
- Charging time: 1-2 hours
- Dimmable light
- Touch sensor
- Rotateable in base
- USB-C cable included

Ellie

This extraordinary lamp does more than merely illuminate your living space.

Not only does Ellie serve as a brilliant light source, but it also features pleasantly speaker capabilities, playing all your favourite melodies. And that's not all! Ellie also excels in practicality, featuring a convenient base that can charge your compatible phone, headphones, earbuds or speaker.

With its built-in microphone, you can handle phone calls, adding extra convenience to your daily life.

Whether you choose to place Ellie on your desk, side table or nightstand, it promises to provide you with ultimate convenience.

Specs and details

- 100% recycled GRS plastic
- Wiireless charging pas
- Compatible with wireless enabled devices
- Wireless output power: 10W
- 3W digital amplifiers
- 3 light settings
- Built-in microphone
- Water-resistant (IPX4)
- Bluetooth 5.1
- Range: up to 10 m
- USB-C cable included

Alarms

Bell

Meet your perfect morning companion!

Here is an alarm designed to make your mornings brighter and more energized. With its sleek and intuitive design, waking up has never been more leisurely.

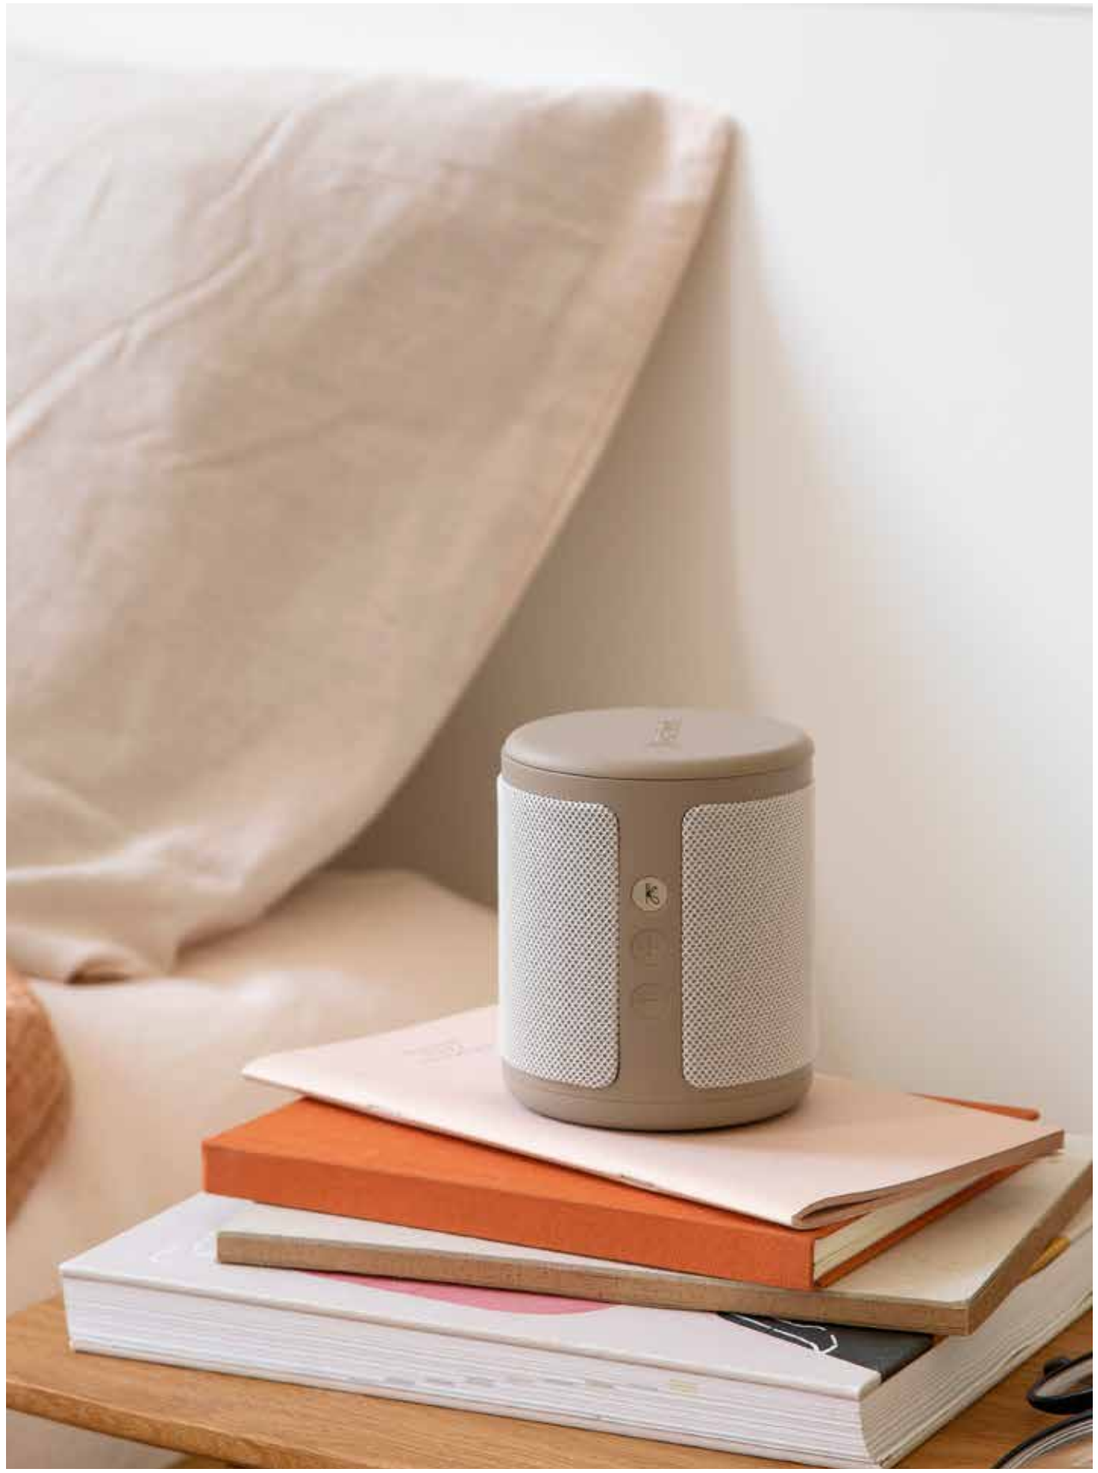
To turn off the alarm, press its button. For a quick snooze: pick it up and flip it upside down. That means no more fumbling around in the dark or toiling to find the snooze button.

Not only does Bell provide reliable and gentle wake-up calls, but it also has a cordless design for added convenience. Say goodbye to tangled wires and limited mobility, and place it wherever suits you the best.

Embrace simplicity and make every morning a breeze with Bell.

Specs and details

- 100% recycled GRS plastic
- Water-resistant (IPX4)
- Up to 30 days operating time
- Charging time: 1-2 hours
- Alarm clock
- Snooze by using flip sensor
- Dimmable LED display
- Rotatable in base
- USB-C cable included



Dabbie

Meet Dabbie by Kreafunk – the stylish DAB+ radio and speaker combo that's as versatile as it is elegant!

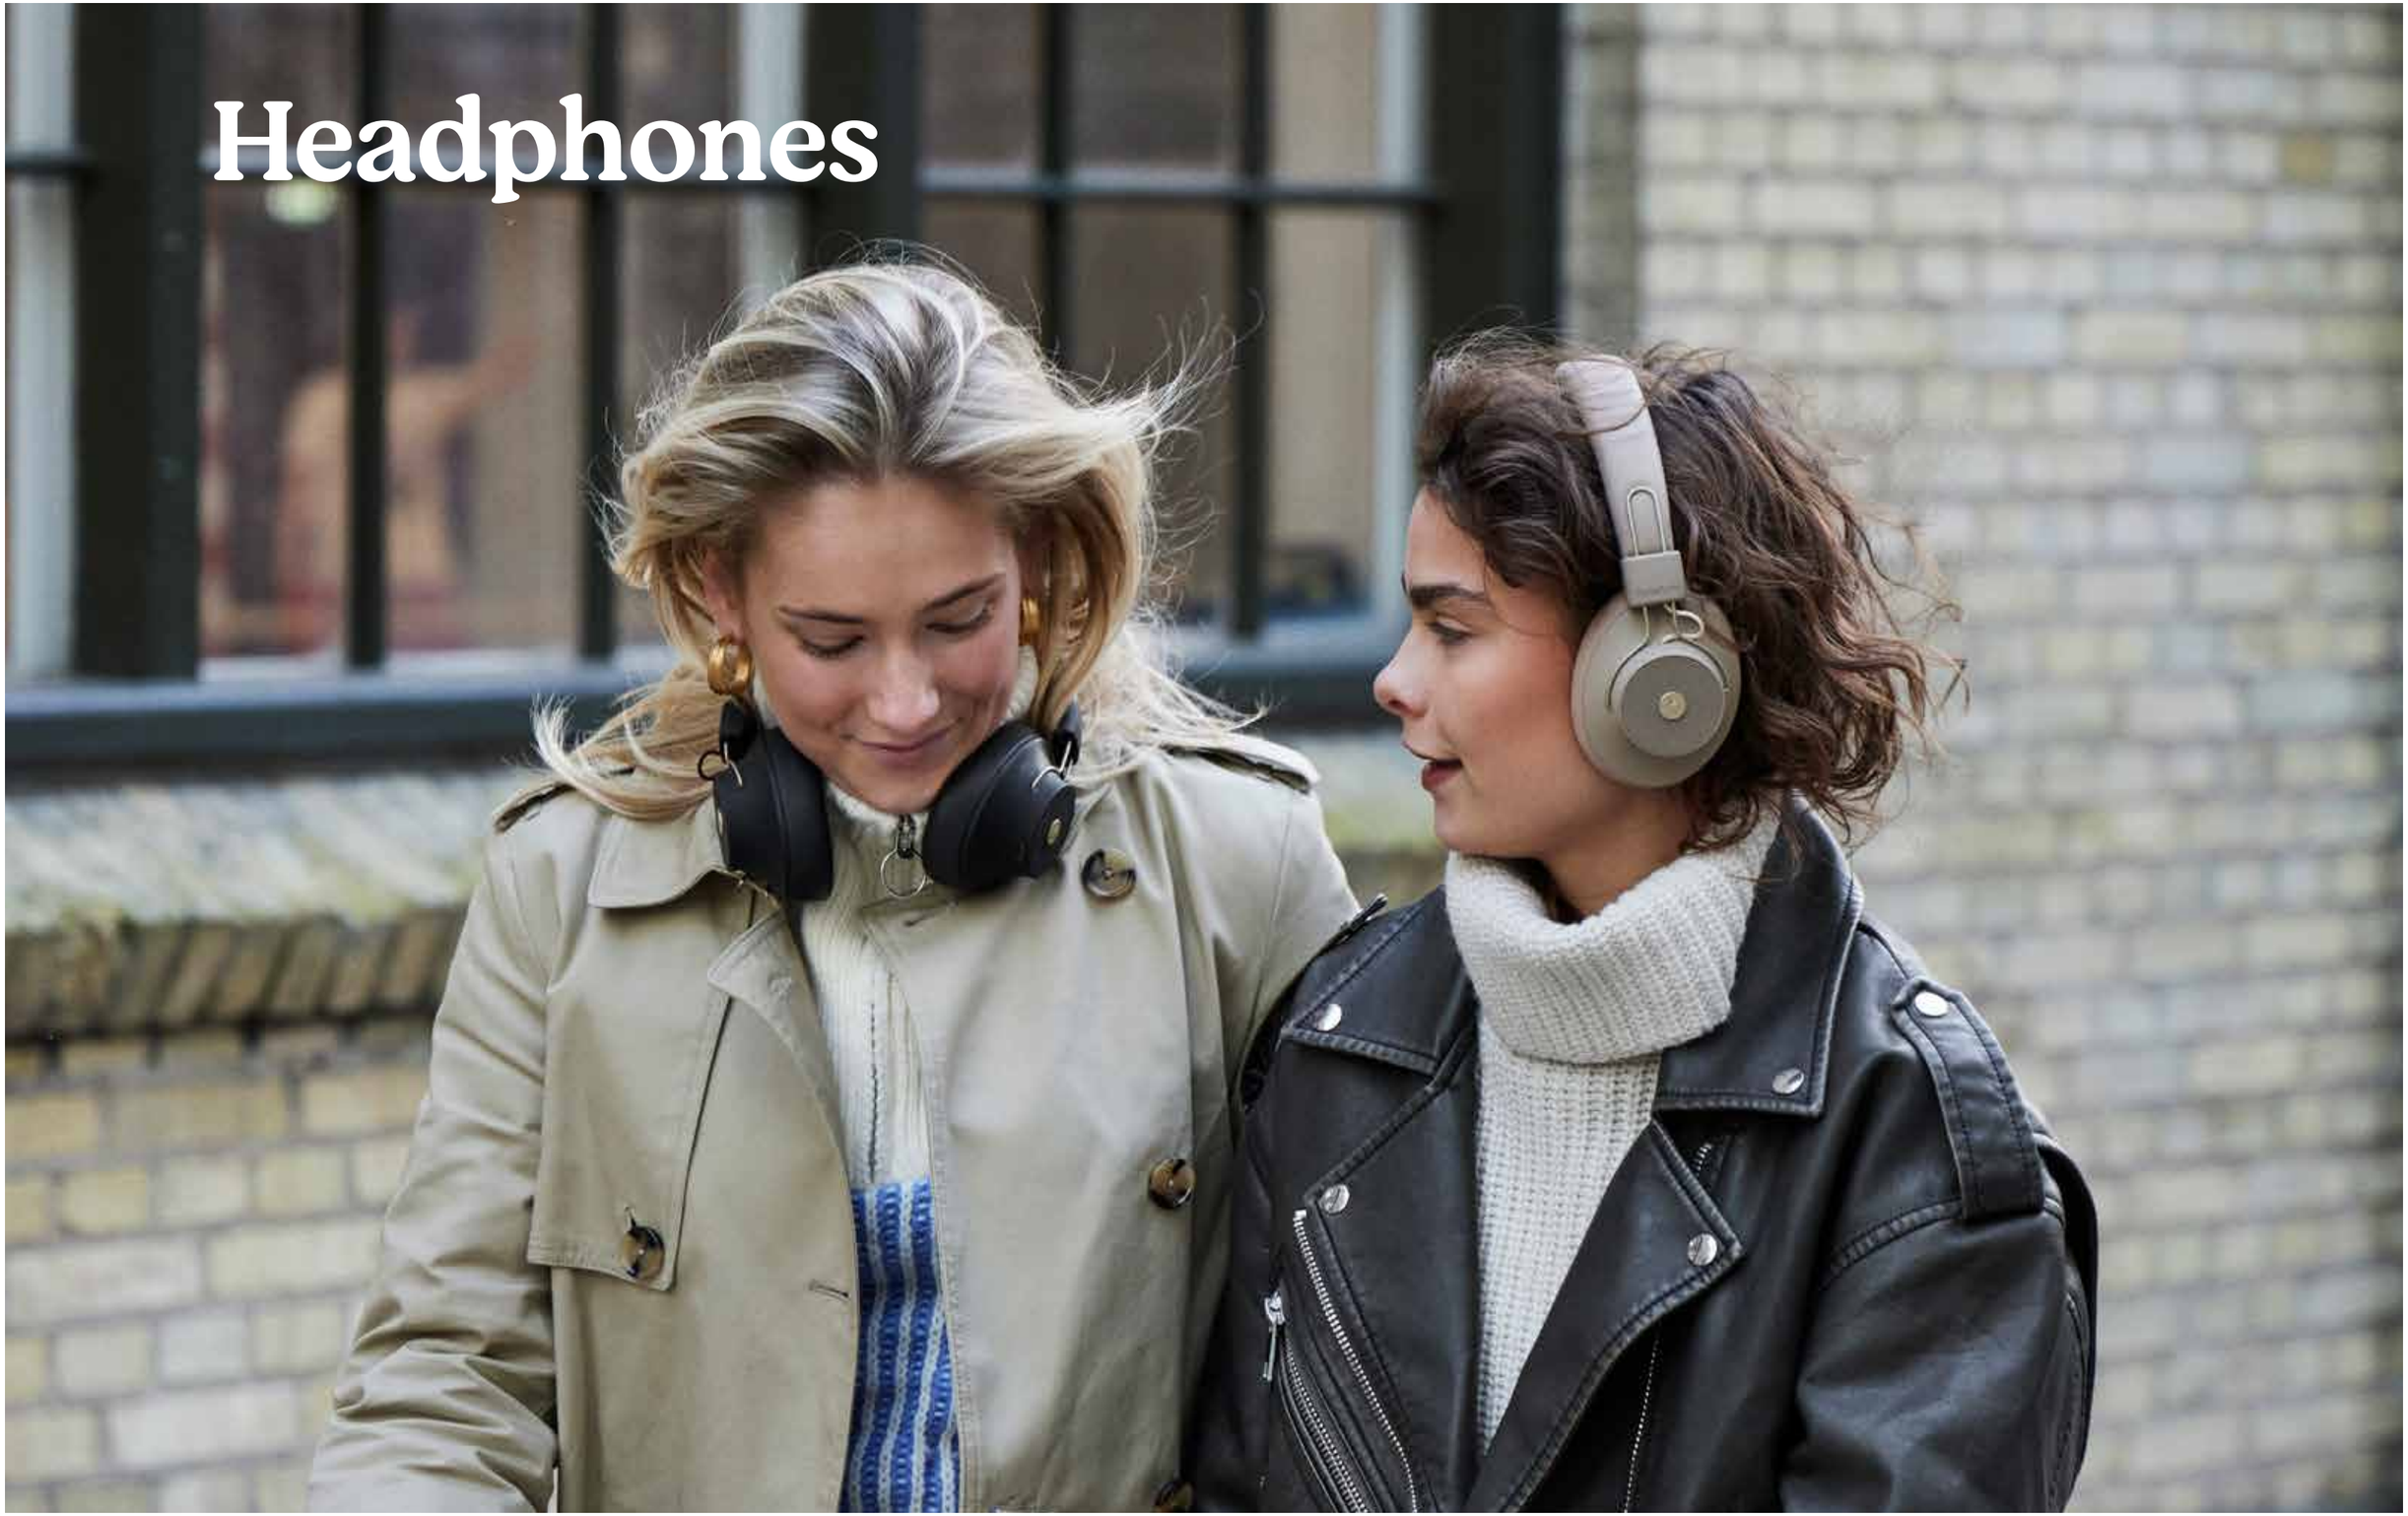
Enjoy crystal-clear DAB+ and FM radio, or stream your favourite tunes via Bluetooth. With a 6W speaker, Dabbie offers great sound, while the wireless charging and alarm clock features add convenience to your daily routine.

Its sleek design allows you to hide the display, keeping it minimalist and chic. Perfectly portable for both indoor and outdoor use, Dabbie is your ideal audio companion wherever you go.

Specs and details

- 100% recycled GRS plastic
- 100% recycled polyester (fabric)
- DAB+, FM and Bluetooth
- Water-resistant (IPX4)
- 6W digital amplifiers
- Up to 14 hours playing time
- Charging time: 4hours
- Support wireless charging
- Alarm
- Stereo Play
- Bluetooth 5.1. Range: up to 10 m
- USB-C cable included

Headphones

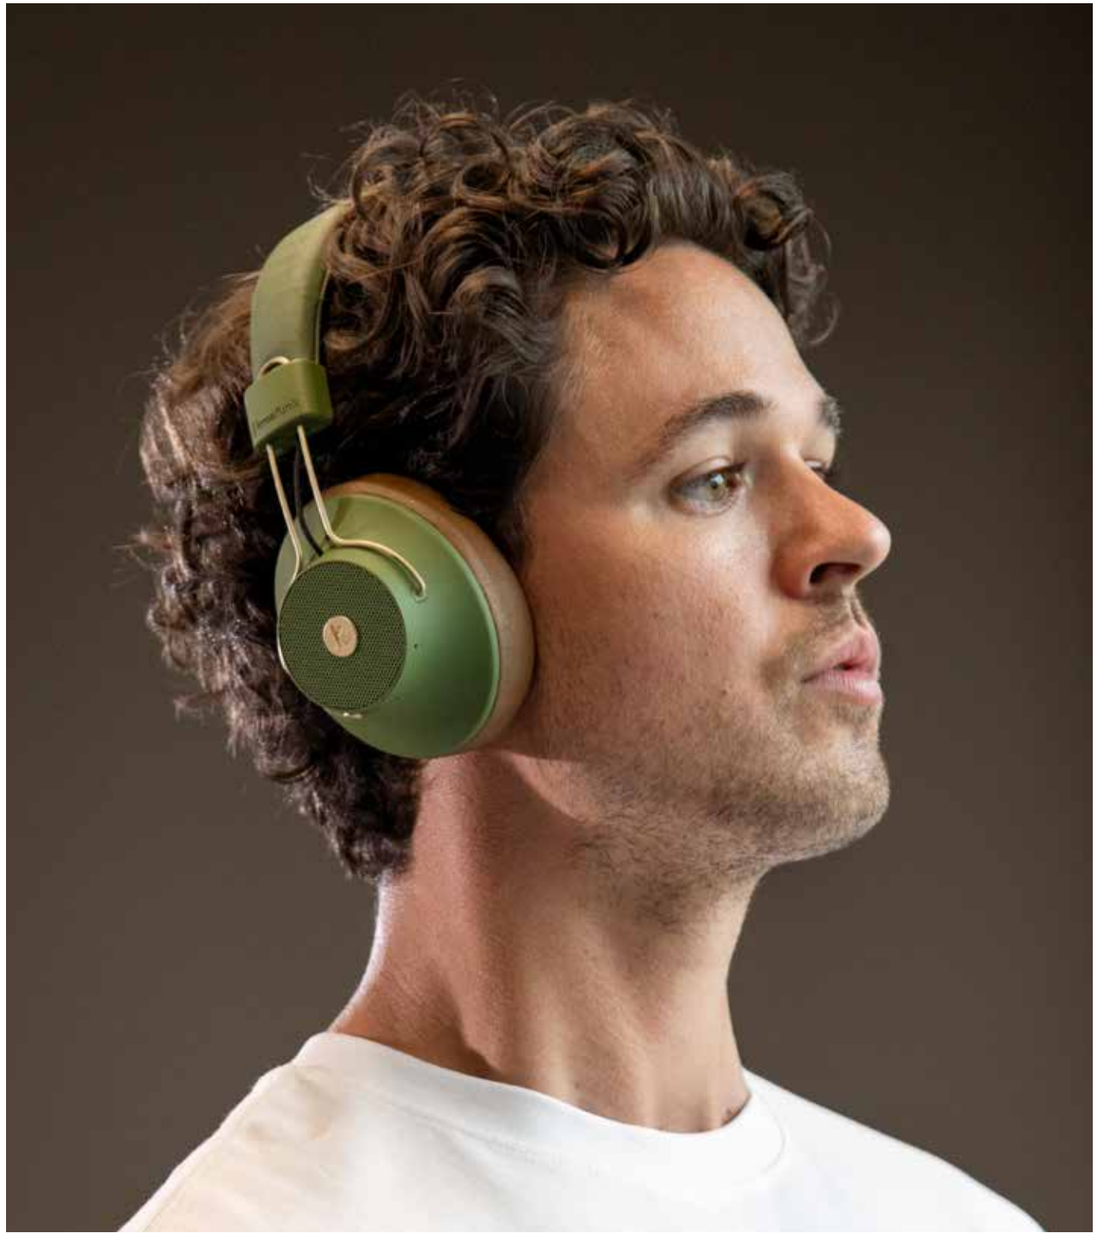


aBEAT Qi

NEW FEATURE: Now with wireless charging.

Rich, deep, refined and capturing sound is what awaits you when listening to music with aBEAT Qi. Dive deep into your world of music with Active Noise Cancelling (ANC) that blocks out surrounding sounds, immersing you fully in your favourite tunes or podcasts.

You get up to 30 hours of pure musical enjoyment on a single charge, the pads are soft as marshmallows on the ears and angled 15 degrees for the ultimate comfort.



Specs and details

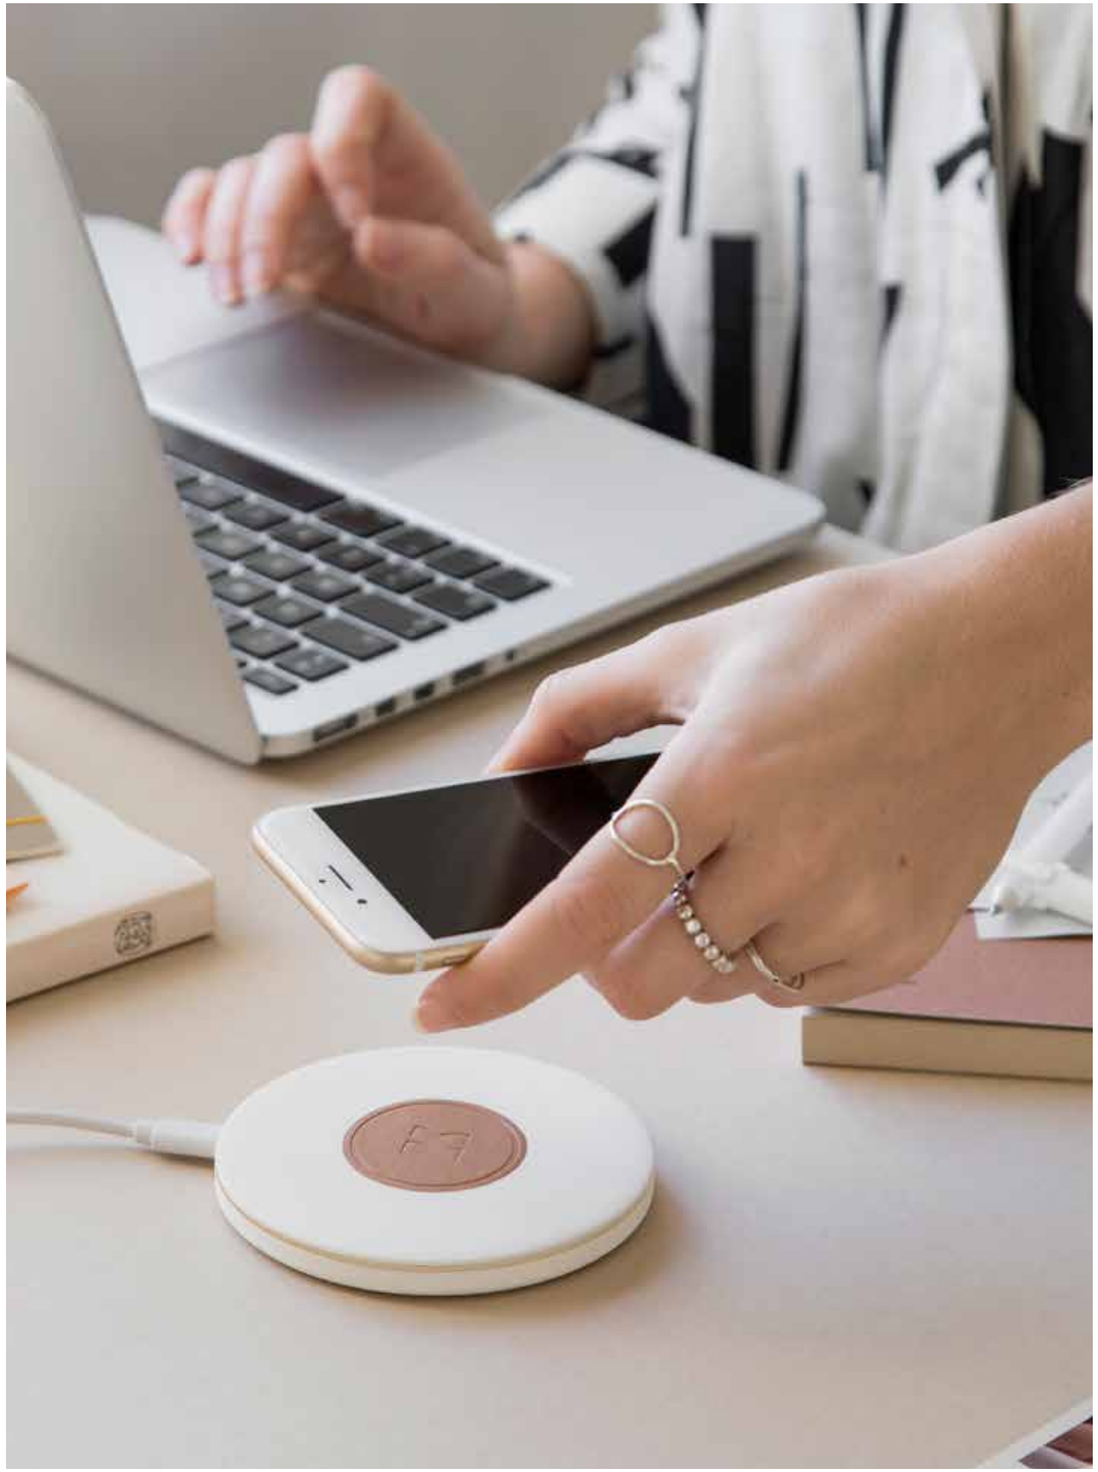
- Output (type C): 5V/3A, 9V/2.22A, 12V/1.67A, 20W
- Output (type A): 5V/3A, 9V/2A, 12V/1.5A, 18W
- Charging cable not included



wiCHARGE 2

This stylish charger is designed to make charging your device as easy as possible.

All you have to do is plug wiCHARGE 2 into a power outlet and place your wireless compatible device on top.

wiCHARGE 2 is a perfect charger for the desk, in the kitchen or on your night table.

Specs and details

- 100% recycled GRS plastic
- Wireless fast charging
- Output power: 15W (max)
- Charging efficiency: ≥72%
- Charging distance: ≤8 mm
- USB-C cable included

reCHARGE

Charge your phone aesthetically and easy.

The exquisite reCHARGE is the perfect pick for your nightstand or desk.

It has a delightful upright position and your phone can be placed either vertically or horizontally.

reCHARGE has an easy USB-C connection, features fast charging and has a discrete LED indication of the charging status.

Specs and details

- 100% recycled GRS plastic
- Wireless fast charging
- Output power: 15W (max)
- Horizontal and vertical charging
- Charging efficiency: ≥72%
- Charging distance: ≤8 mm
- USB-C cable included

reCHARGE+
Charge your devices easy and aesthetically.

Foldable and upright positioned 15W fast wireless charger on the front + two additional charging zones on the back for your earbuds and Apple watch.

The reCHARGE+ can charge both vertically and horizontally. reCHARGE+ has an easy USB-C connection and has a discrete LED indication of the charging status.

Specs and details

- 100% recycled GRS plastic
- Wireless fast charging
- Foldable design
- Output power:
  - Front: 15W (max)
  - Back: 3W for headphones
  + 2W for Apple watches
- Horizontal and vertical charging
- Charging efficiency: ≥72%
- Charging distance: ≤8 mm
- USB-C cable included

toCHARGE Qi

A discharged phone will never be a problem again. With toCHARGE Qi you can experience the convenience of wireless charging. It is easy to take with you, so you're always guaranteed fast and easy charging on the go. Its rectangular design matches the shape of your phone, and it has a pleasantly soft touch.

toCHARGE Qi is easily attached to your phone using the magnets that fit the iPhone 12, iPhone 12 Pro or newer iPhone models. The anti-slip material makes sure that it can also stick to other models.

You can charge both your phone and toCHARGE Qi simultaneously, so you are good to go for a new day full of fun.

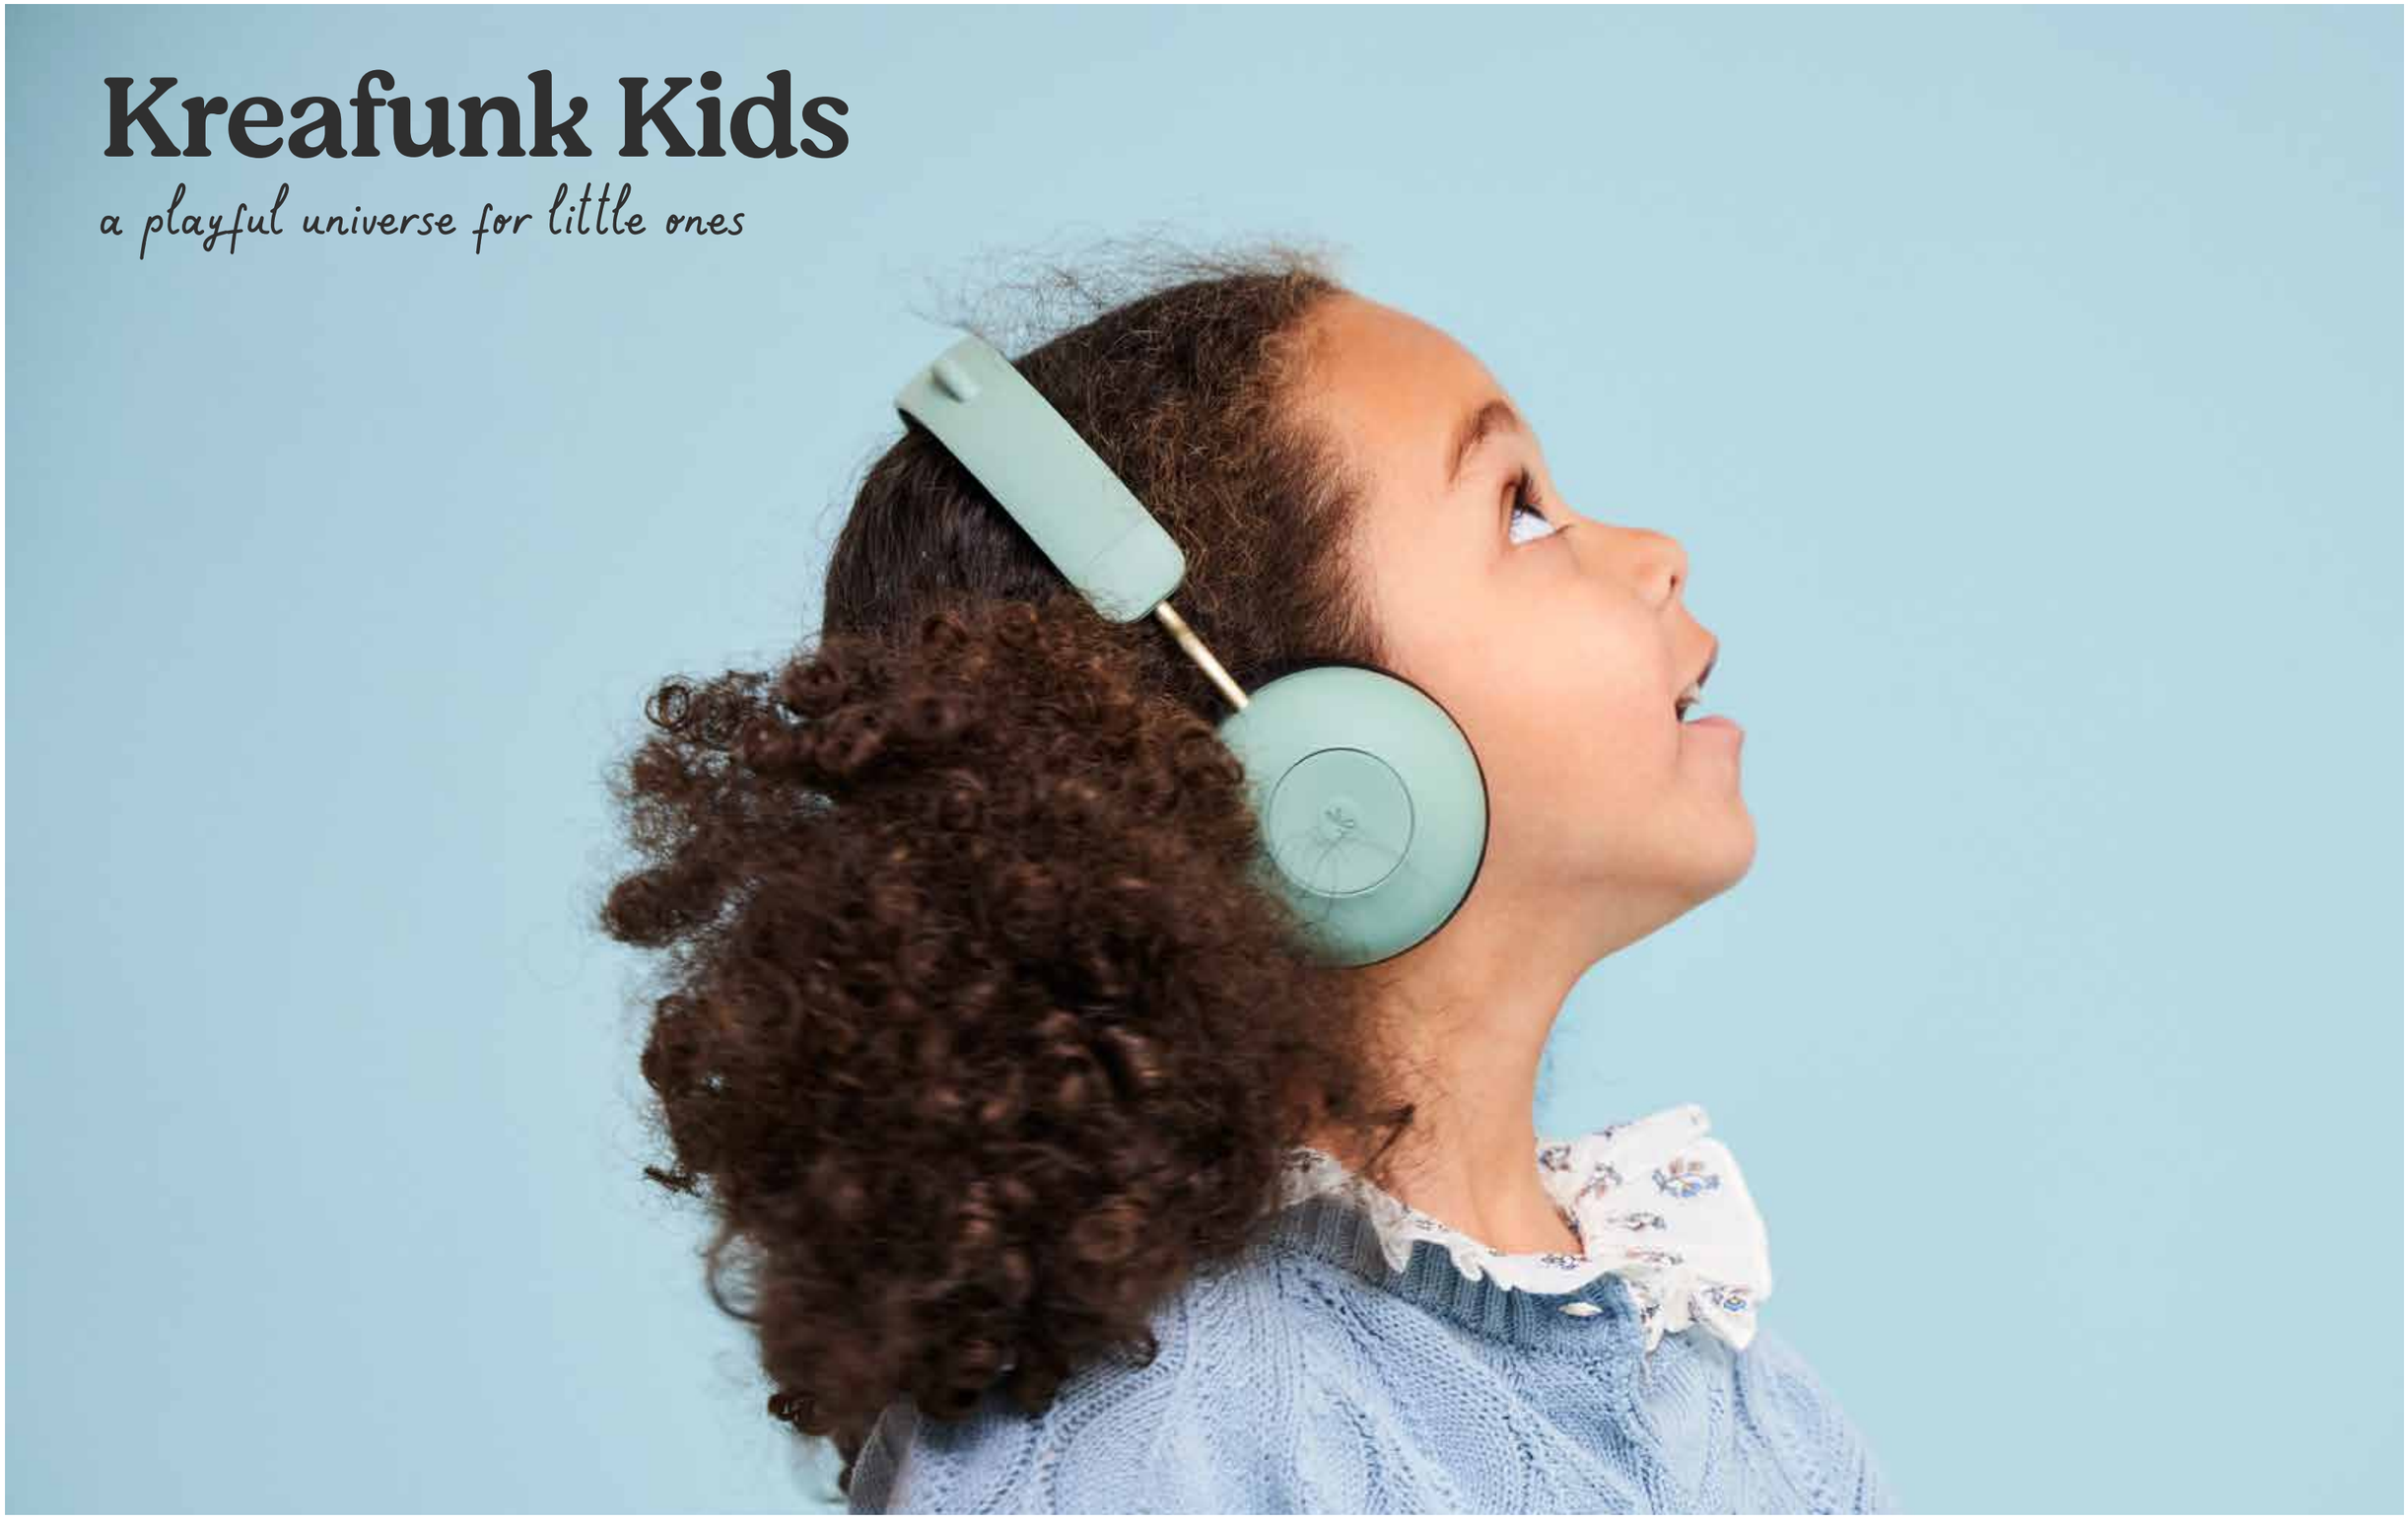
Power Banks are not sold to countries outside the EU.

Specs and details

- 100% recycled GRS plastic
- Wireless fast charging
- Output power: 15W (max)
- Battery: 5000 mAh
- Magnetic attachment function for compatible iPhones
- Anti-slip material
- Charging time: 2-3 hours
- Charging efficiency: ≥72%
- Charging distance: ≤8 mm
- USB-C cable included

Kreafunk Kids

a playful universe for little ones



Roar

Roar is an adorable Bluetooth speaker. It may not let out a mighty roar, but it will deliver a harmonious and well-balanced sound.

This speaker is made from 100% recycled GRS plastic, just like all our other designs. Additionally, it features a top made from 98% recycled polyester fabric.

Whether you hang it in the kid's room or bring it along on outdoor adventures, Roar is designed to fit seamlessly into your lifestyle.

Its water resistance makes it the obvious choice, even if it's raining cats and dogs.

With the convenience of Qi charging, you can wirelessly power up Roar using our range of Qi wireless chargers.

Specs and details

- 100% recycled GRS plastic
- 98% recycled polyester (fabric)
- PFAS free
- Water-resistant (IPX5)
- NFC connection
- 6W digital amplifiers
- Up to 14 hours playing time
- Charging time: 1.5 hours (USB)
  1.5 hours (Qi)
- Supports Qi wireless charging
- Stereo Play (TWS)
- Bluetooth 5.1
- Range: up to 10 m
- USB-C cable included

Glowie

Glowie is a delightful companion that combines the functionality of a lamp and speaker into a single device.
Being both practical for babies and endless fun for older kids, Glowie becomes the perfect best buddy for all ages.

It has many talents, such as an integrated sleep noise feature, lulling little ones to sleep. And with its ability to keep a dimmable light on during the night, it provides a comforting presence.

Older kids will enjoy its playful side - the musical features and coloured lights. It can instantly transform a room into a dance floor and keep everyone entertained for hours.

Specs and details

- 100% recycled GRS plastic
- PFAS free
- Water-resistant (IPX5)
- NFC connection
- 5W digital amplifiers
- Up to 40 hours playing time
  LED and music: up to 15 hours
- Charging time: 3 hours
- Stereo Play (TWS)
- LED colours: 5 different
- Sleep noises
- Bluetooth 5.3
- Range: up to 10 m
- USB-C cable included

Cloudy

Introducing Cloudy, the most adorable LED lamp you'll ever see! It´s perfect for hanging on the crib whilst lulling your baby to sleep. Switch on the timer function, which will automatically turn off after 2 hours - or keep it gently glowing throughout the night. Cloudy also makes a delightful addition to your nursing table.

Cloudy features both warm, cool and red light, allowing you to create the ideal setting for any situation.

And here's the best part: Cloudy doesn't heat up, so don't worry if your little one gives it a playful squeeze.

Specs and details

- 100% recycled GRS plastic
- PFAS free
- Water-resistant (IPX2)
- Up to 50 hours operating time
- Charging time: 3 hours
- Light settings: 6 modes
- Red light for nursing at night
- Timer: 2 hours
- Hanger strap included
- USB-C cable included

Blob

This utterly charming LED lamp is made of the softest material imaginable.

The lamp provides a warm, ambient light that creates a calming atmosphere in the room or on the nursing table - brilliant for nursing at night.

Give Blob a gentle tap on its head, and it will activate the LED light, while another tender tap will change the colour of the light. Thanks to its soft silicone construction, Blob always remains pleasantly cool to the touch.

Specs and details

- 100% recycled GRS plastic
- 50% sand-based silicone
- PFAS free
- Touch and shake sensor
- Up to 5 hours operating time
- Charging time: 0.5 hours
- LED colours: 7 colours
- USB-C cable included

Buzz junior

There's no doubt that these headphones will be adored and treasured. Buzz junior headphones are designed to fit kids and offer more than just an adorable appearance with their small bear ears on top. The ear cushions are soft like fluffy marshmallows, ensuring a comfortable and pleasant fit.

They're the perfect essential for toddlers and kids listening to music, enjoying movies or playing games, whether on exciting trips or in the comfort of your home.

With a built-in volume limit of 79dB, these headphones prioritize the safety of young ears, protecting them from loud noises whilst delivering a premium sound experience.

Specs and details

- 100% recycled GRS plastic and recycled vegan leather
- PFAS free
- Safe Audio: max. 79dB
- Water-resistant (IPX4)
- AUX plug & Audio Sharing (wired)
- NFC connection
- Up to 40 hours playing time
- Charging time: 1.5 hours
- Adjustable fit
- Foldable
- Replaceable ear cushions
- Bluetooth 5.0
- USB-C cable included

Buzz

Say hello to Buzz headphones, the ultimate sound companions for kids. These headphones offer a delightful blend of crisp and balanced sound, promising whimsical adventures. Not only do they have a stylish design, but they're also ultra-comfy with their marshmallow-soft ear cushions.

Whether at home or on the go, Buzz headphones are the perfect essential for enjoying music, movies and games.
The headphones limit the volume to a maximum of 85dB, which protects small and large ears whilst giving them a premium sound experience.

The ANC feature (Active Noise Cancellation) magically makes all surrounding noise disappear, and Qi charging allows you to charge wirelessly on our Qi chargers. Try to match them with the Paddy charger - together, they make the cutest couple.
They come with a hard case to keep the headphones safe and secure.

Specs and details

- 100% recycled GRS plastic and recycled vegan leather
- PFAS free
- Safe Audio: max. 85dB
- Active Noise Cancellation (ANC)
- Water-resistant (IPX4)
- AUX plug & Audio Sharing (wired)
- NFC connection
- Up to 25 hours playing time
- Charging time: 1.5 hours
- Supports Qi wireless charging
- Adjustable fit and foldable design
- Replaceable ear cushions
- Bluetooth 5.0
- Hard case & USB-C cable included

Paddy

Meet Paddy, your ultimate companion for charging. Paddy is designed to provide effortless charging for your Qi-compatible phone, headphones, earbuds or speaker. Plug in Paddy, place your device on top, and let Paddy work its magic.

To enhance your experience, pair Paddy with our adorable Roar Bluetooth speaker or the Buzz headphones - they both feature Qi-charging. And with matching colours, they complement Paddy most charmingly.

Say goodbye to battery worries as Paddy keeps your devices powered up throughout the day, all while adding a touch of cuteness to your setup.

Specs and details

- 100% recycled GRS plastic
- PFAS free
- Standard: Qi
- Compatible with Qi enabled devices
- Output power. 15W (max.)
- Charging efficiency: ≥72%
- Charging distance: ≤8 mm
- USB-C cable included

Hush

Discover the blissful silence with Hush Protective Earmuffs. The light headband, with padding as soft as clouds, ensures maximum comfort whilst wearing them.

With the remarkable noise reduction capability of 23dB, Hush Earmuffs effortlessly reduce the sound level, creating a magically serene environment.

Whether you're attending concerts, football games or fireworks displays, these earmuffs eliminate any obstacles that may hinder your child's participation in exciting adventures.

Hush Earmuffs are a valuable companion for children with unique abilities and those who find loud noises unpleasant. Embrace the power of silence with Hush.

Specs and details

- 100% recycled GRS plastic
- PFAS free
- Protects against harmful noise
- SNR: 23dB
- Adjustable fit
- Soft and comfortable fit
- Test and approved according to CE EN352-1 and ANSI S3.19
